Mr. Sam S. Dickey, assistant superintendent since 1940, gave half a lifetime of service to the Lakewood Public Schools

Mr. Dickey's helpful interest and advice will long be remembered by his associates. Nationally known in areas of education and finance, he was president of the Association of School Business Officials of the United States and Canada in 1953. His death is a particular loss to all who knew him.

Mr. Sam S. Dickey . . . Dedicated Leader in School and Community

TYPIFYING THE RENAISSANCE, Lakewood has rebuilt on original foundations, retaining that part of the old which was good. Improvement of educational ideals and opportunities has been the main objective of the reconstruction and the revision of curriculum.

Individual aptitudes are encouraged rather than a mass production of scientists. Even under the influence of "Sputnik" the humanities have not been disregarded. The Lakewood Renaissance has shown a need for a new outlook on the purpose of education.

The Nourishment of Mind and Spirit

The Lakewood Renaissance brings an increasingly serious curriculum to provide the cultural and intellectual means to meet the challenge of the new age. Students relish learning as teachers bring their particular subjects to life.

Board of Education Sponsors Renovation of Buildings and Policies

JOSEPH ADDISON
The Spectator

Backed by community support, the Board of Education maintains a quality school system. In order to provide the best educational opportunities for Lakewood, they secure complete information on important issues before establishing policies required to keep the system's high standards. By utilizing their experience in business and civic affairs, they are able to resolve problems and influence school policy, public relations, and finances. Leaders this year are Mr. Brooks, Lakewood merchant, as president and Mrs. Teare, newest member, as vice-president. All the members are dedicated to the best interests of the schools and of the community.

Mrs. Wallace G. Teare, Mr. Arlo Graber, Mr. W. Dean Hopkins, President Mr. Theodore Brooks, and Mr. Charley Geiger

Dr. Edwards Leads in Schools and Community

As superintendent, Dr. William B. Edwards is responsible for the operation of the entire school system. In this capacity he constantly endeavors to keep the schools' program improving. Dr. Edwards has greatly encouraged the Lakewood High building reconstruction and curriculum revision. One of the forty school administrators chosen by the U. S. State Department, he spent seven weeks in Europe under a Fulbright scholarship studying educational, economic, and social systems. Dr. Edwards has kept the rapid advances of the school system continually before the public through speeches and a series of articles in the Lakewood Post.

Dr. William B. Edwards, superintendent of schools, has B.A., Ohio U.; M.A., Kent State; Ph.D., Western Reserve

Dr. Spayde Is New Asst. Superintendent

Dr. Paul E. Spayde was appointed Assistant Superintendent of Lakewood Schools to replace the late Sam S. Dickey. In charge of the business affairs of the school, he also manages the Operation and Maintenance Department and cafeterias. Dr. Spayde will, in addition, continue in educational research.

Dr. Paul Spayde is the new assistant superintendent and holds a B.S., M.A., Ph.D. from Ohio State University

Mr. Povenmire Esteemed as Leader

Recognized as a dedicated leader in the field of education, Mr. Povenmire devotes much time to the administration of school affairs. He has worked closely with the architects in planning the remodeling program and has correlated many community and school projects, such as the building bond issue. Re-elected to the Ohio North Central Association Committee, he has continued to serve on the Committee on Articulation of High Schools and Colleges. As principal, Mr. Povenmire interprets school policy for the benefit of all. His helpful interest and able counsel have endeared him to students and fellow educators, both past and present.

Mr. Mahlon A. Povenmire, principal, has his B.Sc. in Education and M.A., Ohio State University

Mr. Meeks Leads Counseling

In directing the counselors, Mr. Meeks has contributed to the new plan which provides more counsel and guidance for the individual. During his many years of service at Lakewood High, Mr. Meeks has seen the school progress from one small building to a multi-unit center of education. As a major phase of his work he correlates the master and student program cards each semester. Mr. Meeks' retirement will be a great loss to the school and it will be difficult for anyone to take his place as assistant principal.

Mr. Robert L. Meeks, assistant principal, has the degrees of A.B., Miami University; A.M., Columbia University

Mr. Meeks addresses weekly meeting of counselors. (Standing) Miss Haines, Mr. Miller, Mrs. Garrett, Mr. Povenmire;

(seated) Mr. Cunningham, Miss Kleinmeyer, Mr. Brown, Miss Cope, Miss Spinneweber, Mr. Findley, Miss Burton

Miss Agnes Cope, dean of girls, has B.Sc. in Education, Ohio State University; M.A., University of Michigan

Miss Cope Is Dean of Girls

In her position Miss Cope advises almost every girl sometime during her high school career. As adviser of Student Council, she helps to keep the functions of the student body running smoothly. She also organizes honor study halls, arranges for buses to out-of-town athletic events, and serves as second vice-president of the high school PTA.

Miss Spinneweber Guides Vocation Choice

In the capacity of student placement director, Miss Spinneweber contacts industrial and business interests to find suitable part-time employment for students. She advises applicants about open jobs and provides a valued source of information through Careers Day.

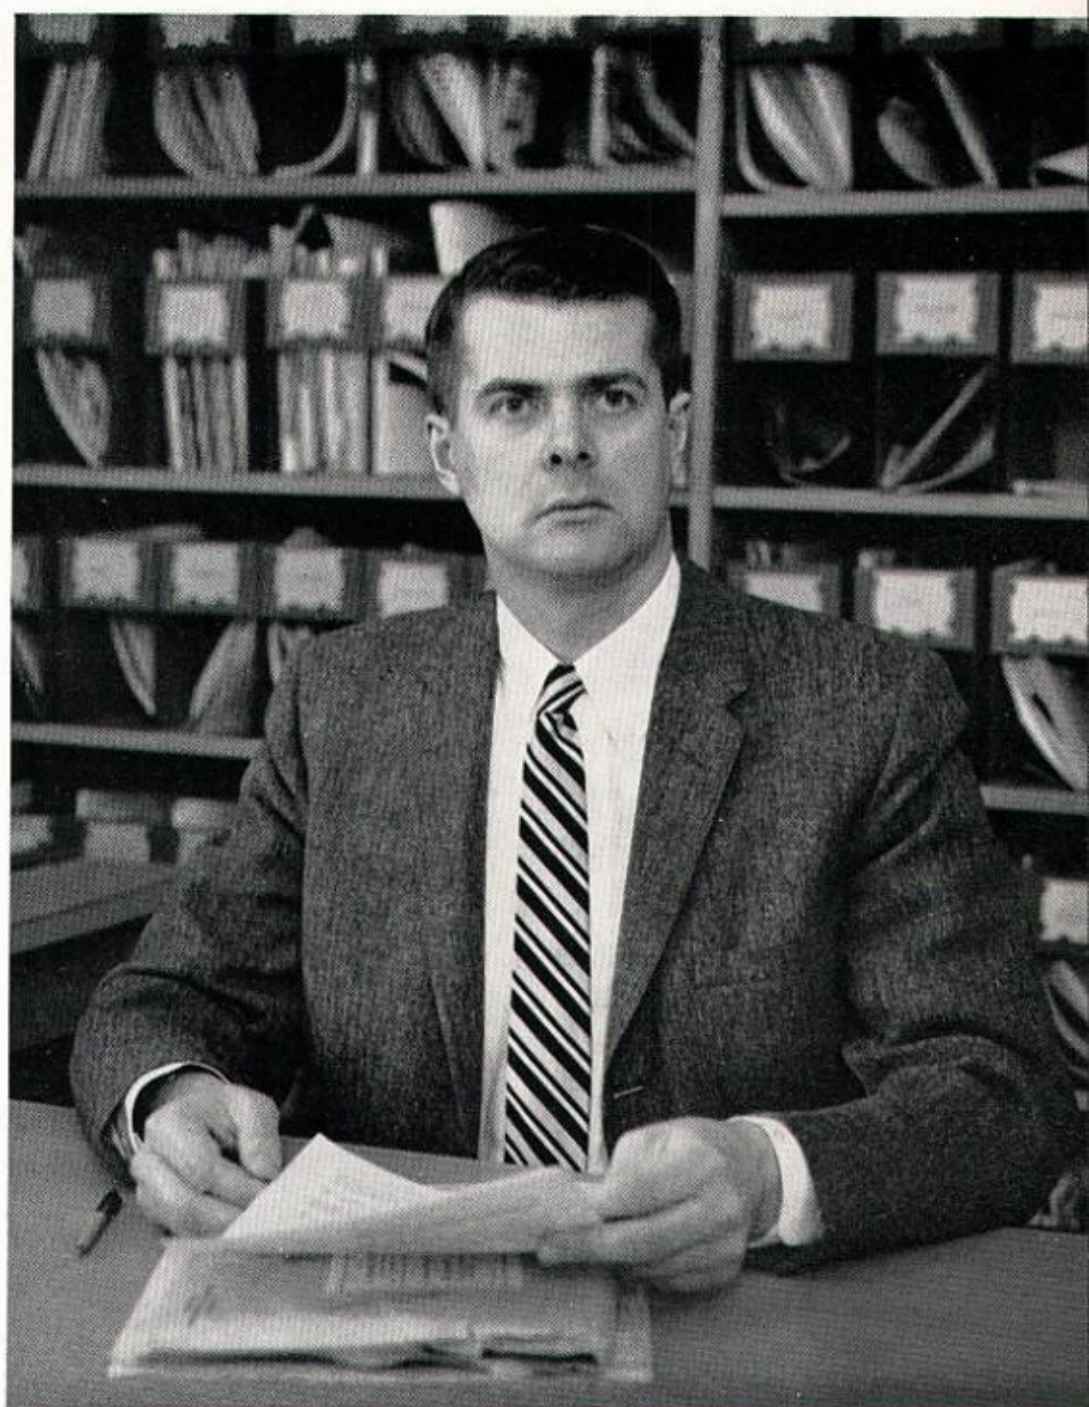

Miss Marthella Spinneweber, placement director, has B.S., Kent; M.S., Western Reserve

Mr. Miller

Co-ordinates Guidance

As school psychologist, Mr. Miller has aided in the planning of the new guidance program. Speaking at an October FTA meeting he discussed preparation needed for his profession, as psychology is an important phase of all teaching. Mr. Miller is also in charge of the testing program at Lakewood High.

Mr. Robert Miller, co-ordinator of guidance, has both B.S. in Education and M.A. from Ohio State University

Miss Haines

Imparts College Advice

Under the direction of Miss Haines, the College Guidance Office helps students make decisions concerning college and vocations. Miss Haines talks to groups on Careers Day and is instrumental in planning College Night—a function bringing college representatives to the school to answer questions.

Use of Basic Skills Emphasized in English

A new awakening in education has focused attention more and more on the importance of the study of English in all its phases—reading, spelling, grammar, composition, and appreciation of literature. Sixty-five regular English classes give students the opportunity to develop these skills. English 3 and 4, required of all, provide basic training. English 5 gives extra drill for those who want or need it. English 6 and 8 open the doors to American and English literature. English 7 is an intensive course in composition. Public speaking, journalism, and dramatics set forth the principles of more specific phases of our language. The ability to express oneself clearly, both verbally and in writing, has been recently emphasized as a fundamental element in the achievement of success in life.

Modern source materials like the "Atlantic Monthly" make English 7 live by relating it to today's world

Reading Center Presents Challenge

Based on the proven theory that even the best readers can improve in both speed and comprehension, developmental reading caters to those good readers who want to read even better. Instructed by Mr. DiBiasio and using the latest mechanical helps available, about 500 students substituted a study hall period three days a week for a term of eight weeks for this non-credit course. Private booths and individual record folders insure privacy as students use reading pacers, quizzes, and essay readings at their own speed. Purdue reading films supplement the reader's instruction at every session conducted.

At the end of a course in developmental reading each student is presented with a certificate for satisfactory work

A new phase in language study unfolded when the foreign language laboratory was introduced giving learners a chance to hear languages. Equipment includes 28 booths with individual microphones and tape recorders, movie and slide projectors, all-wave radio. Using three channels similar to those on a television set the student dials the tape-recorded lesson assigned to him. He may record his own voice and play it back later to check pronunciation. Thus each student may recite for the entire period.

Languages Give Important Instruction

With the world shrinking day by day, ability to read, write, and speak modern foreign languages has become a very useful talent. Three years of Spanish or German and four years of French are offered. Beginning classes concentrate on learning elementary grammar and pronunciation, and acquiring a working vocabulary. Advanced classes read works in their chosen languages. Conversation classes are offered for the more advanced students.

A beginning class gains valuable experience by conversing with German-born pupils Sonja Hoexter and Marianne Rosin

Latin Lives in History

Because the ancient Roman heritage serves as a basis not only for government, but also for drama, art, and literature, a familiarity with its language encourages a greater understanding of our modern civilizations. Cultural-minded students strive not simply to translate, but to comprehend such classical works of literature as Cæsar's *Gallic War* and Virgil's *Æneid*, major units covered in second- and third-year courses in Latin.

Problems Helps Pupils Prepare for Life

Social studies courses give students an understanding of the society in which they live through the study of peoples and societies, past and present. Today, it is particularly important that young people have this knowledge, for the world beyond high school is more vast and complex than ever before. Problems of Living 1 touches upon elementary psychology and presents the principles of economics, with emphasis on consumer economics. Problems 2 helps pupils understand the sociological aspects of life in this country, the policies of the United States as a world power, and the responsibilities and aims of the individual as a citizen.

Patriotism Sparks Learning

American history, required for graduation, traces the development of the United States from the earliest explorations which led to the discovery of the New World down to world-shaking events of today. Knowledge of the people, events, and ideas which formed our nation helps students understand better the society in which they live.

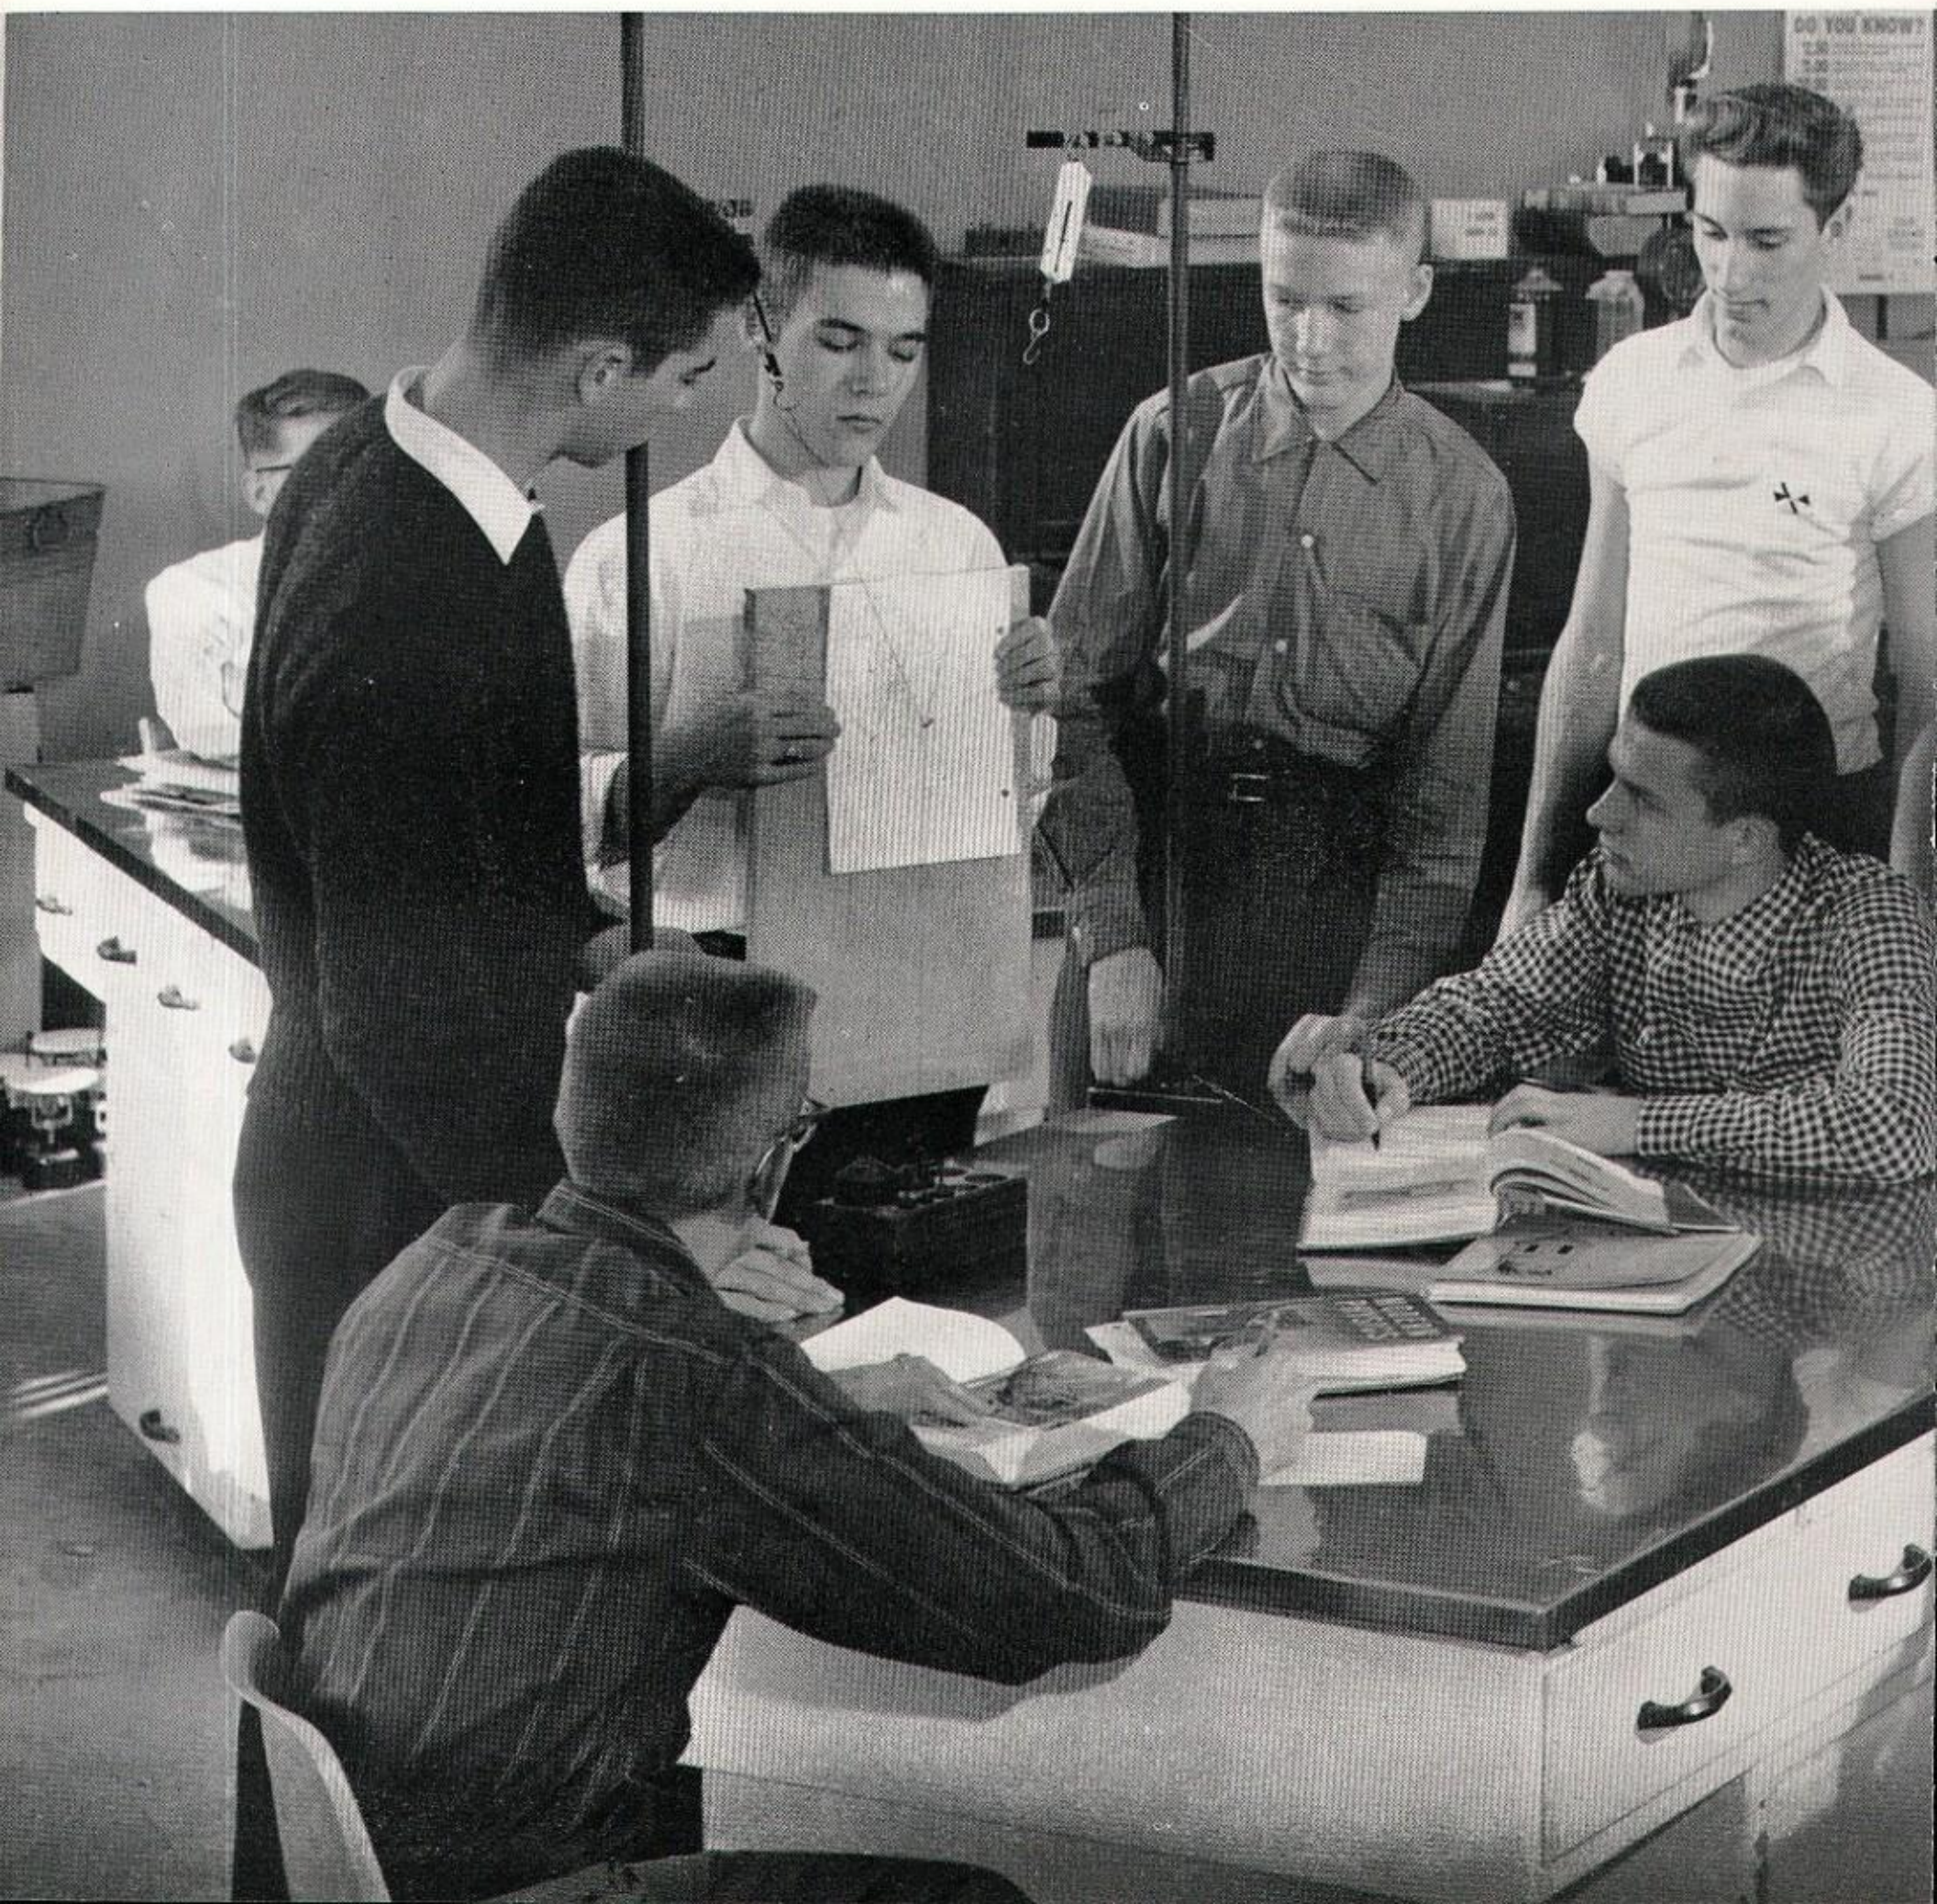

Advanced placement American history, new this year, presents material on a college level, placing emphasis on ideas

Emphasis on Physics Increases

Because it is associated with problems before the American public, physics receives much attention in the current emphasis on sciences. Physics students learn to understand modern miracles through the revealing study of machines, heat, electricity, sound, and light.

Biology Explores Life

Biology, human physiology, and horticulture increase the scientific curiosity about man and his environment. Relocation and enlargement of the Science Department, now housed on the first and third floors of the newly named Science Building, is expected to widen the scope of study. Fully equipped classrooms with laboratories in peripheral arrangement have a centered recitation area. Still unfinished, the new greenhouse with glass section jutting out at the south end of the first floor promises much sunlight and down-to-earth knowledge. All science courses add to a broader understanding of life itself.

Math Expands

Mathematics, the language of science, has, with science, become a highly emphasized area of study. Geometry 1 and 2 teach deductive reasoning and neat, accurate work habits as well as principles of plane geometry. Geometry 3 covers three-dimensional figures. Algebra 3 and 4 complement the ninth grade course and prepare students for further study of math. Trigonometry is a study of angles, trigonometric functions, and vectors, and their practical applications in surveying, navigation, and the sciences. Following the trend toward encouraging the gifted student, an advanced math program has been instituted. Algebra begins in the eighth grade that three semesters may be completed by the end of junior high. The core of both plane and solid geometry is presented in two semesters. Algebra 4 and trig constitute the junior year; and, as seniors, the group studies modern concepts of mathematics. Math courses are designed not only to teach mathematics but also to develop logical minds, assets in this complex world.

Introduction of new mathematical conceptions such as the set theory adds interest to Algebra 3

Home Ec Modernizes

Gleaming fixtures and electrical appliances along with pastel colors account for part of the shine of the newly furnished Home Economics Department. Located on the second floor of the Science Building, these remodeled rooms have spacious working areas and modern lighting. Girls planning a future career may elect courses in clothing, handicrafts, meal planning and preparation, and home management. One semester of any home economics course allows credit, and many girls not interested in a career along these lines can find benefit in learning specific homemaking skills in a one-semester course. A major consists of a semester of either Problems of Living I or general home economics in addition to one year each of clothing, foods, and home management.

Industrial Arts—More Than Technical Training

From the operation of a cupola furnace mastered in general casting to the applied mathematics and electricity courses, the Industrial Arts Department stresses precision, appreciation of fine workmanship, and self-reliance. Woodworking, drafting, and pattern-making, approached scientifically, develop in students a manual skill which is supplemented by manipulative training in machine shop. In addition to preparing students for vocations, advanced classes in graphic arts serve Lakewood schools by printing tickets, programs, posters, schedules, and letterheads.

Abilities Stressed in Music

Music appreciation classes give background in fine musical literature from Bach to Copeland. The harmony course, offered in alternate years, acquaints students with basics of musical notation and provides a foundation for simple harmonizations and further study. Glee clubs, mixed choruses, and two a cappella choirs offer opportunities to develop repertoire. Membership in Junior A Cappella Choir is based on quality of voice. Membership in Senior A Cappella Choir is highly selective, the epitome of success for student vocalists. Band and orchestra both yield personal satisfaction in the mastery of an instrument and provide an opportunity to perform in public. Thus by providing use for all types of skills, the department furnishes many happy hours of making music.

Emphasizing physical fitness, sportsmanship, and leadership, physical education is a required course for every boy. Audio-Visual Center Is Organized

Centralization of the organization and distribution of audio-visual materials at last is a reality. Simultaneously, classrooms are gradually acquiring curtains and acoustical ceilings to make the use of projectors, record-players, and tape-recorders practical in the individual classrooms. Health Center Benefits All Students

The school health service aims at the prevention of disease, the correction of physical defects, and the treatment of emergency illness and accidents. This is achieved through check-up examinations in the school at regular intervals, through co-operation with parents, family doctor, and dentist, and through individual consultation with pupils. Dr. James Mulligan, school doctor, and Mrs. Garrett, registered professional nurse, supervise this health program. The doctor comes to the Health Center on Monday, Wednesday, and Friday mornings; Mrs. Garrett maintains careful, constant vigil five days per week.

Mrs. Rebecca D. Hicks, Miss Anne L. Klaameyer, Mrs. Irma Ingham, Mrs. Ann Vetter, and Mrs. Ruth Hagerson face daily a myriad of problems and inquiries and a never-ending procession of tasks with unfailing good humor and patience

Office Staff Centralizes School Business

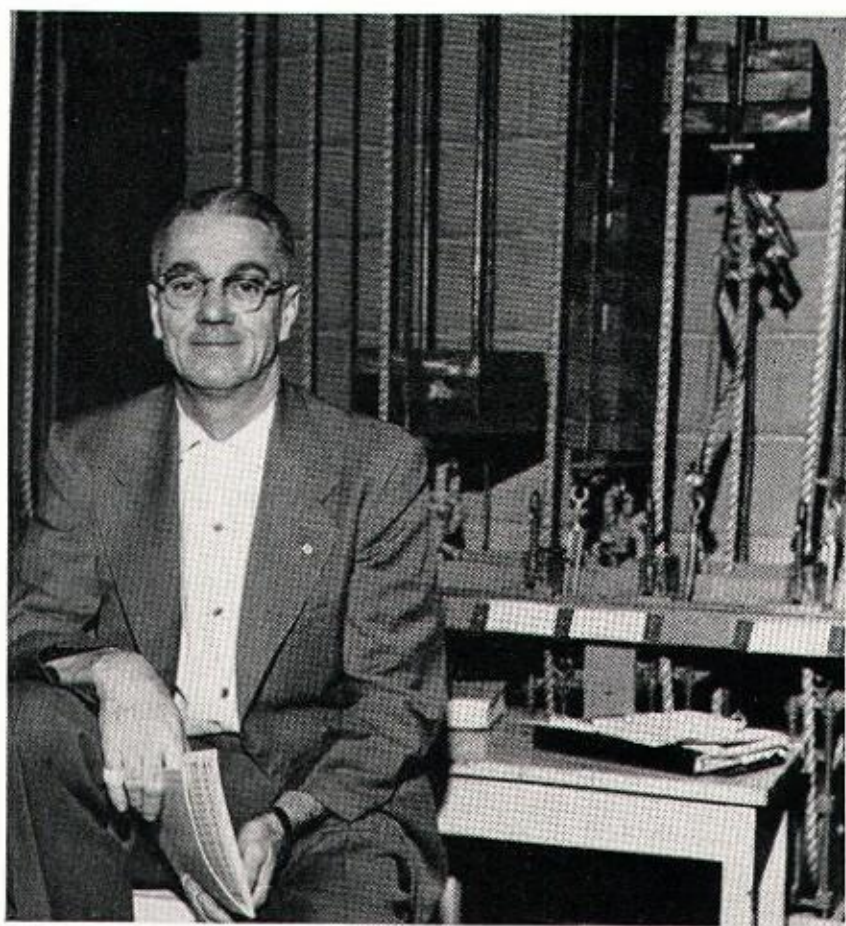

The staff of the main office, the co-ordinating center of the school, fills a vital behind-the-scenes position in school life. They prepare and mimeograph weekly announcement bulletins and daily absence lists, record grades, make out the payroll, and conduct bank transactions. They serve the senior class by figuring scholastic averages, writing college transcripts, and tabulating Honor Society votes. They are pleasant and helpful toward inquiring students, teachers, and parents and competently handle the sending and receiving of messages within the school.

Willing Trio Is Tops in Efficiency

Special services require experts in special fields. Mr. Yaster carries a heavy load in directing all phases of building maintenance, with a day and night staff of 14 men and 13 women. Mr. Childers is the compositor for printed materials for the Lakewood public schools. Mr. Ed Moore directs backstage work for the Civic Auditorium and Tryout Theater.

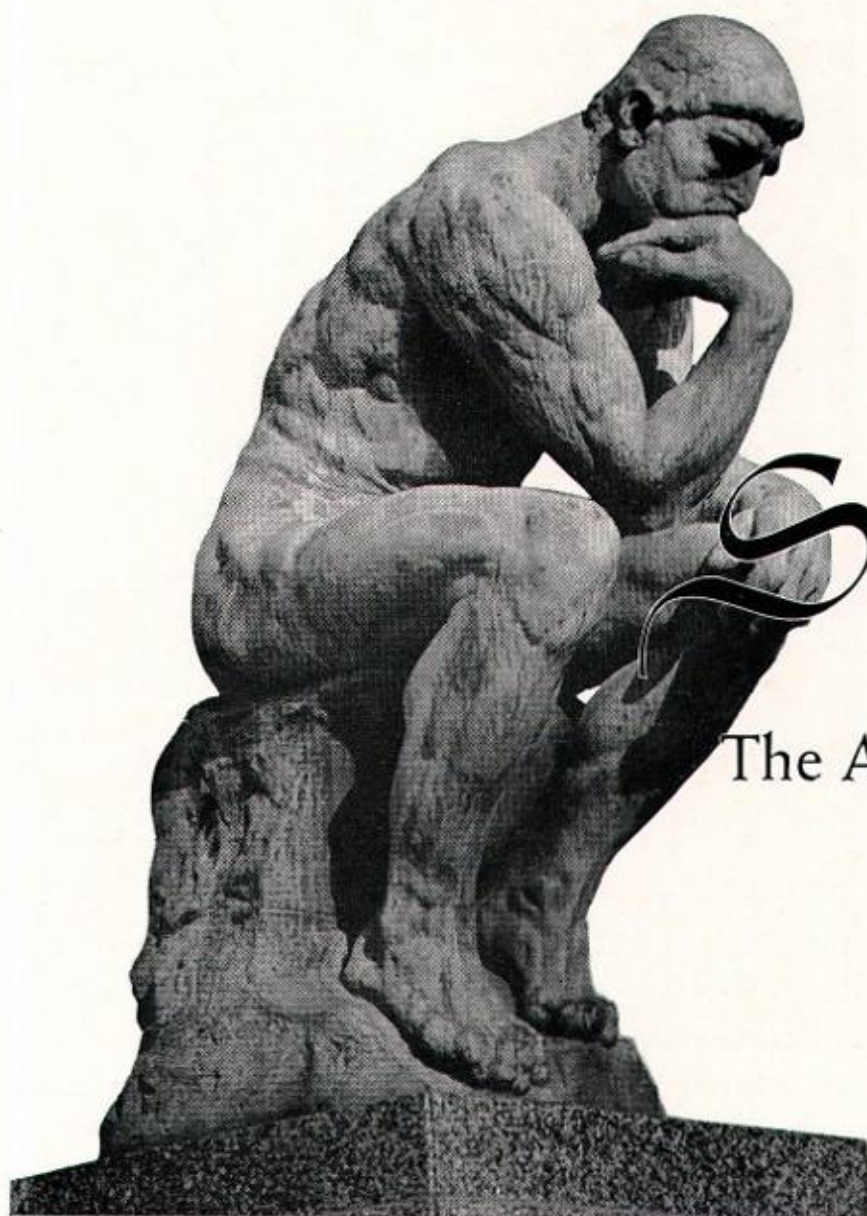

Mr. Ed Moore is stage manager of the Civic Auditorium

Mr. Michael Yaster is the high school's head custodian

Mr. Charles Childers is the

The Accommodation of Mind and Spirit

The Lakewood Renaissance is creating a complete renovation of the building to provide adequate facilities in preparation for the new electronic and space age. Students have adapted well in situations of transient inconvenience.

Seniors Plan for Graduation

Commencement and Baccalaureate made graduation a milestone in the lives of the Class of 1960. The Prom, parties, and picnics furnished the traditional festivity of the week. Class officers chose a member from each homeroom for the announcement and cap and gown committees, and qualified seniors for the smaller groups. Julie Wright and Jim Andrew headed the Prom and Cap and Gown Committees respectively.

Flower and color add sentiment: Fred Glover, Roberta Smith, Betty Fiske, Chairman George Nielsen, Sally Blom

Officers are President Fisher, Treasurer Bertemes, Vice-President Walsh, Adviser Mr. Findley, Secretary Kriscak

Conning mottoes is business of committee: Sandy Wyper, chairman, Nancy Tuller, John Gianakos, Dave McConoughey

Bob Geier calls several announcement committee meetings to select graduation cards

Honor Society Inducts Top Scholars

To uphold the ideals of excellent scholarship, leadership, service, and character, eighty-one selected members from the upper third of the class were inducted into the National Honor Society. In the national election of a famous American to the Hall of Fame, they nominated Thomas Edison as their candidate. Many members did voluntary tutoring during their free periods. At the fall induction Mr. Donald Thompson, First Vice-President of Federal Reserve Bank of Cleveland, spoke on the importance of education in making decisions. At the spring assembly, exchange student Helja Simojoki told of Finnish schools.

National Merit Ranks Seven Finalists

After taking a second examination, all of the seven semi-finalists in the National Merit Scholarship Qualifying Test became finalists. The National Merit Corporation then chose national finalists on the basis of this test, high school records, and other activities. To those finalists not receiving scholarships, the corporation awarded a Certificate of Merit and a recommendation to colleges, universities, and other scholarship agencies. For the top awards, proficiency was required in the fields of English usage, mathematics, social studies, science, and vocabulary range.

Mr. Miller discusses scholarship possibilities with finalists Kenat, Curtis, Hicks, Dial, Workman, Zimmerman, Winslow

The Enthusiasm of Mind and Spirit

The Lakewood Renaissance stimulates the participating student with the cultural pursuits to give him a new understanding of his own worth. This self-discovery is the essence of learning and extends into the classroom and beyond.

Displaying prizes awarded to top magazine salesmen, Jim Andrew persuades student body to sell! sell! sell! sell!

Student Council Boosts Athletic Fund

Through the Student Council every student has an active voice in school affairs. Guided by Miss Cope, new officers are elected by the entire school each semester. Heading this year's list of activities, council members appropriated \$2000 for the athletic fund, used to purchase new football and baseball uniforms. Profits from the annual magazine drive allowed Lakewood to continue with its foreign exchange program as \$700 was set aside for the American Field Service. Rounding out their activities the members bought draperies for the new cafeteria and a suitable trophy case for the swimming pool.

Cinema Portrays Lakewood Renaissance

By paralleling events and qualities of the historical Renaissance period, the 1960 staff of **Cinema** developed the theme "Lakewood Renaissance." Last year's edition which had two pages featured in a text on yearbook production, **Yearbook Layout** by C. J. Medlin, won **Cinema's** seventeenth consecutive All American award. Occupying spacious new quarters in the main building since January, this year's staff of thirty-two was directed by Adviser Miss McTaggart, Editor Samuel Wade, and Associate Editor Barbara Wilson.

High Times Staff Reports LHS Activities

Published weekly through the efforts of the student staff, the **Lakewood High Times** informs the student body of school events, entertains with features and such columns as "Dee-Tales" of first-hand experiences, Ted Landphair's "Phair Deal," and enlightens with editorials and "Capsule Comment." The staff of forty-one consists of students trained in journalism courses. Underclassmen are admitted only after tryouts, which this year singled out three "cubs." Distributed each Friday in homerooms, the **Times** forms an active and essential segment of LHS life.

Hi-Y Stresses Intergroup Relations

Lakewood Hi-Y chapter programs varied from discussions on world peace and racial issues to competition in basketball, swimming, water polo, and ping-pong. In addition to the field trips through the mental health rehabilitation center at Hawthornden State Hospital, senior chapters toured the cyclotron at the Lewis Research Center branch of NASA. Money for these trips was raised by selling popcorn at basketball games and staging a "Beatnik Blast" dance. As a joint project, the combined chapters secured appearances of several Cleveland Browns' players and hockey Coach Jackie Gordon of the Cleveland Barons. Voting decided political issues at the YMCA mock legislature at Columbus. Delegates were Fred Emde, Frank Jerome, Mayo Watson, Howard Williams.

'Pa-Ma-Me' Tops Friendship's Calendar

Inspired to serve others, members of Friendship chapters carried on many projects. At Thanksgiving they collected canned goods for the Protestant Innercity Parish as well as food, money, and clothing for a needy family. They gathered toys to be distributed by the Marines at Christmas and sold potholders and candy for the World Fellowship Organization. The subjects of their meetings were varied. The Reverend George Drew talked on Russia and two teachers spoke on Mexico. LHS foreign students talked on their native lands. There was a World Fellowship luncheon in November and a dance in March. New officers were installed at the annual Pa-Ma-Me, the most noteworthy social event of the season.

Barnstormers Hold Costume, Props Drive

Collecting, organizing, and cataloguing costumes and properties for future productions constituted this year's major Barnstormer project. Required was a thorough inventory of goods in the crawl space and other school storage places. Under the direction of adviser, Mr. Moore, Barnstormers presented two three-act plays for the public. Mr. Donley directed two one-act plays given in assemblies. At one of the meetings, members learned how to apply stage make-up. Bill Albertson directed the Reader's Theater presentation "Miracle of the Madonna" at the Christmas meeting. Thespians were chairmen of costume, property, and make-up crews for "The Pirates of Penzance" performance.

FTA Explores Field of Teaching

Encouraging high school students to become better teachers is the purpose of the Future Teachers of America. Mr. Benavides and Mr. Miller, members of the LHS faculty, told of opportunities in education. Movies, too, offered guidance in this field. Booths at all-school parties and a Christmas potluck party held at Mary Clark's home were the two major social events. In the spring, senior members, according to tradition, journeyed to nearby elementary schools for first-hand observation of teaching methods. Miss Rush, adviser, supervised these activities. Officers in the fall were Elaine Moskal, Lucinda Mock, Martha Zimmerman, Patricia Harrold, and Ruth Arold. Bonnie Bronish, Martha Zimmerman, Joyce Suntala, Linda Robinson, and Judy Oravec were spring officers.

Hi-Art Guild

Sponsors May Show

A display of student art work, planned and directed by Hi-Art members, was shown at the second annual May Show held in the L-Room. Included in the year's program was a dinner at the New York Spaghetti House, after which members went to the Continental Art Theater to see an award-winning film made in Sweden. With the supervision of the adviser, Mr. Hodermarsky, and officers Ruth Van Boxel, Roberta Smith, Betty Fiske, and Charlotte Kiss, the club listened to poetry and modern jazz at a so-called "Beatnik" session. At another meeting, Father Henry Birkenhauer, the Director of Seismology at John Carroll University, showed informative movies of his exciting trip to the Antarctic.

Hi-Forum Visits Glenville High School

Intergroup and international relations supply material for Hi-Forum discussion. In December, a busload of members went to Glenville High School to talk over different points of view on world affairs with students there and hear a speaker explain the problems of Puerto Rican immigrants in this country. Because of the interest stimulated by our exchange student, Lakewood represented Finland in the Model United Nations. Supervised by Miss Warner and Mr. Hamilton, these activities were planned by club officers Richard Raymond, president; Frank Jerome, vice-president; Barb Buncher, Lynn Waugh, secretaries, and Judy Oravec, treasurer.

Hi-Commercial Favors Savings Stamps

Getting acquainted with one another was the object of the first meeting of Hi-Commercial, which has Miss Reid as adviser. A sales representative from the Cleveland Corporation gave a demonstration of the Varsityper at the January meeting. Highlighting the year was a field trip through the Cleveland Press, giving firsthand views of publication practices. Dining downtown followed the tour. Sales promotion of United States savings stamps by Hi-Commercial room representatives provided students with an opportunity to combine thrift with patriotism by saving for bonds. Added incentive was a sales contest between homerooms, the winner being awarded with a surprise gift.

Italy Offers New Interest for Latin Club

"The Delphic Oracle," a skit directed by adviser, Miss Caldwell, was presented by the Cicero class at the club's inaugural meeting. As a treat the club engaged in contests for prizes at another session. To familiarize the group with present day Italy, guest of honor, Miss Mary E. Albright, Latin teacher at Horace Mann Junior High School, showed slides from her recent trip. Members also viewed ancient ruins amidst modern living in a film borrowed from the public library, "Italy, Land of Contrasts," emphasizing romantic cities Rome and Pompeii. Planning the year's events were officers Marjorie Stieger, president, Walter Hopkins, Gayle Sakai, Pam Lefton, and Helen McCulloch.

Full Schedule Enjoyed by French Club

Mardi Gras, major social event of the French Club, featured a sidewalk cafe, folk dancing, prizes for best costumes. Sending money to Le Refuge des Petits, an orphanage in Hyeres, France, was the main project. Learning more about language and customs of France, members participated in traditional songs and games at each meeting. At the December meeting, Samih Wehbe, born in Dahar, French West Africa, and Eniko Kiraly, who lived in France for a year, told how the French celebrate Christmas. Advised by Miss McMillin, the organization's officers were Jeanne Bolds, Lois Fisher, Gail Sheahan, Emily Fitzgibbons, and Charles Adams.

Variety Is Spice In German Club

Program variety made for good attendance in "Der Deutsche Verein," official name for the German Club, sponsored by Miss Coates. Herr Albrecht Frank, vice-consul of the Cleveland German Consulate, spoke about Germany at a January tea. Other programs included talks by German-born students, Miss Kleinecke's travelogue of her 1958 European trip, a songfest, the traditional Christmas party, a "Fastnacht" party, and a final picnic. Fall officers were Linda Rothgery, Linda Harbeitner, Evelyn Schmidt, Edwin Gorsica, Jim Diendl; spring officers were Andris Grants, Sue Muehlhauser, Sonja Hoexter, Fred Bissinger, Art Caune.

Club Entertains In Spanish Way

Going to Spanish parties, eating Spanish meals, and listening to authentic Spanish conversations are activities sponsored by the Spanish Club. First, during Christmas, was the Fiesta, an annual occurrence celebrating Spanish customs and traditions. Later in the year, members dined at La Fiesta Restaurant and ate Mexican food, afterwards attending the "Southern Theatre" to see a Spanish movie. Tita Mendoza, a student from Mexico, was featured at one of the club meetings to enlighten members concerning life in Mexico. Mr. Benavides, new teacher and adviser this year, is of Mexican lineage. Officers for both semesters included Pete Tyner, Lynn Staley, Nancy Gallo, Fred Glover, and Laura Harms. Lakewood High School's Spanish Club boasts that it is one of the largest language clubs in the United States.

Math Club Ponders on Probability

Meeting bi-weekly under the guidance of their adviser, Mr. Harger, the Math Club has shown itself as one of the outstanding school organizations. Programs presented by the members added interest to the meetings. Mr. Buckeye highlighted the year with a talk on topology. Adding fun were the sessions in recreational math. Fallacies, non-Euclidean geometry, and set theory were but a few of the topics which enriched the understanding of those who participated. At mid term they elected Jim Workman, president; Chris Hicks, vice-president; Dwight Bonner, secretary; and Dick Earl, treasurer.

Newton Society Investigates Science

Exploring the amazing field of electrochemistry was one of the Newton Society's main projects. This science society has had many problems to hinder their activities such as not being able to find equipment or the constant changing of their meeting places. Field trips to technical research laboratories in the vicinity of Greater Cleveland were planned by Mr. Boruff, the adviser, with the assistance of officers Dan Craycraft, president; Dennis Bender, vice-president; Terry Love, secretary; Prentice Drew, treasurer.

Speakers Club Kindles Creative Spark

By encouraging all members to contribute original ideas and experiences, Speakers and Writers Club gave everyone a chance to share in the responsibilities of planning and taking part in club programs. Poems and short stories written by club members or famous authors were read aloud. In an unusual experiment they read poetry in time to music. After thoroughly analyzing Beatnik poetry, members concluded that it lacks depth and lasting value. For their Christmas program, the students gave a play about the three Wise Men. In February, Mr. Donley told them about his experiences in the theater. These activities were organized by Miss Cook, club adviser; Frank Jerome, president; Marilyn Zilke, vice-president; Rena Lefton, secretary; Betty Yeckle, treasurer.

Auto Club Promotes Safe Driving

Combining duty with desire the Auto Club is an active member of the Youth Traffic Council. It also keeps up-to-date on the progress of similar organizations in schools throughout the nation. Instruction on Ohio driving laws has enabled many members to obtain drivers' licenses. The club presented two assemblies to acquaint the school with its objectives and to promote safety. Twelve consecutive awards for exceptional effort from the National Safety Council is visible evidence of the Auto Club's meritable program toward promoting safe driving in Lakewood. Among its many activities, was a birthday party for sponsor, Mr. A. K. Cook, and a tour through the Ford Falcon plant.

Agassiz Club Discovers New Worlds

Many facts about natural science unfold themselves in Agassiz Club. Guest speakers such as Dr. Frank Costanzo and Dr. Donald Dean make bi-monthly meetings interesting. Field trips supplement information learned at meetings. The trip to the Cleveland Natural History Museum and a picnic in Rocky River Valley were two of this year's highlights. Club officers Judi Robinson, Bill Thauvette, Julie Zekany, and Ernie Lengle worked together with the club's sponsor, Mr. Coleman, to prepare for the meetings. Each year natural science is "discovered" by a number of students through this organization.

Photographers Obtain New Equipment

Utilizing funds donated by the PTA and Student Council, the Photo Staff purchased a new Super Graphic camera and additional speedlight equipment this year. The Photo Staff is selected from interested sophomores and juniors by Adviser Mr. Rood. These underclassmen attend a special trainee group where they learn a multitude of techniques involved in taking and processing pictures.

Stage Transformed By Industrious Crew

Responsibility for maintenance and repair of stage facilities rests on the stage crew. From adviser, Mr. Ed Moore, who is manager of the Civic Auditorium, members learn technical skills for use in their work. The staff manages all Tryout Theater and Civic Auditorium programs such as Parent-Teacher Association meetings, Barnstormer plays, and the West Shore travel series. They spend much of their time on construction of scenery for performances. Foremost among this year's activities was planning for the light opera, "Pirates of Penzance," construction which began December 1. Operation of lights, one main curtain and five other sets of curtains, and the building of elaborate settings are some of the stage crew's numerous and educational duties.

Projectionists Serve Visual Education

On call daily, projectionists operate movie projectors, slide projectors, and record players in classrooms throughout the school. Use of these audio-visual aids is co-ordinated under Miss Kenney's full time supervision. New is the arrangement to move equipment to classrooms instead of centralizing the location. Use and care of this expensive equipment makes the knowledge of operating, handling, and making minor repairs a requisite of all the projectionists. During the first semester 490 classes viewed films.

Coin Club Visits Federal Reserve Bank

Visiting the Cleveland Federal Reserve Bank highlighted the season for Lakewood's Coin Club, advised by Miss Caldwell. Members viewed films on Federal coinage of money. With the election of new officers Tom Miller, Richard Raymond, Bill Fraunfelder, Bob Barlow, and Bill Thauvette, they decided to expand their interests into the realm of stamps, creating a Coin-Stamp organization.

PA Is School Announcement Lifeline

From the very beginning the Public Address Staff has grown continually in importance with the aid of Mr. Boruff, adviser. The purpose of the staff members is to become acquainted with the electric equipment they use and to execute many tasks throughout the school year. Many students fail to realize the important part this small handful of students plays in the smooth operating of school functions. They arrive early in the morning and remain long after school to arrange amplifiers and set up microphones for morning announcements, assemblies, all home sports events, and PTA meetings.

Ushers See Choice Programs

Neatly dressed ushers in dark skirts and white blouses take tickets and distribute programs with businesslike efficiency. Under the supervision of Miss Spinneweber and Miss Faud, group advisers, and Irene McCauley, secretary, these girls have served at such school functions as College Night, Band and Orchestra Concerts, the Operetta, Choir Concerts, and graduation activities.

Red Cross Develops Civic Responsibility

Cutting out articles of interest from Reader's Digest for patients in Crile and Veteran's hospitals was one of the service projects of Junior Red Cross. Headed by Chairmen, Cynthia Sievert, first semester, and Pat Ondrejch, second, the girls made gifts of flannelette stoles for elderly women. Also they prepared drawstring kit bags for men going into the service and patients in mental hospitals. Under the able direction of Miss Campbell, members of the Junior Red Cross earn points toward pins. These points are given in recognition of outstanding service and for attendance at downtown meetings.

Library Staff Gives Much Assistance

Keeping circulation records in order is an important job of this year's Library Staff. The 28-member group also has other duties of repairing damaged books and keeping the elaborate college catalogue collection up to date. These tasks assist the librarians Miss Jones and Mrs. Devitt, aided by Mrs. Childers, secretary. Each girl devotes one study hall period each day or time before and after school to give service in the library. During this time the members also obtain stored magazines for both the students and faculty. Their performance of these duties cheerfully and accurately makes possible the pleasant and serene atmosphere found in the library.

Center Stresses Education for Health

"Educate, not medicate," sums up the advice stressed by Mrs. Garrett, director of the Health Center. Interest in the medical profession leads girls to join this staff. By working here they gain practical experience in routine service as well as with occasional emergencies that may arise. Much of their work is clerical since a record is kept of all students who come to the Health Center during the day. This year they helped with chest X-rays of seniors and with the survey to find out what students had received polio shots in compliance with the new state law. They also administer minor first aid, when necessary, under the supervision of Mrs. Garrett.

FHA Replaces Home Economics Club

Affiliation with a national organization became a reality for a young club with a forward look when last year's Home Economics Club changed to Future Homemakers of America. Members under the sponsorship of Miss Latto practiced to increase their homemaking skills as well as to contribute service to the community. Co-operating with other chapters, the girls made and dressed dolls to give to handicapped children at Christmas. Taking sightseeing trips to newspaper plants and bakeries and hearing fashion experts made enthusiastic club members.

L-Room Staff Volunteers for Fun

Student Center staff members operate the snack bar for school and community activities. Students wanting to join the staff submit their names in September. A drawing then determines the new club members. All pupils accepted to participate in club actions must work at least two days a month, but they may and do donate more time after school and at parties and dances. Mrs. Bachman, with the club senior managers—Judy Fitch, Fred Glover, Doug Winslow—and junior managers—Chuck Guy, Tom Rodman—direct the 64 staff members. Many members remain in the club throughout their school years.

Junior Ac Learns Basic Techniques

Taking an active part in school life, Junior A Cappella performed in both the Christmas and the spring concerts, Twelfth-night tree-burning ceremony, and Christmas assembly. Under Miss Gilmore's direction, they learned basic fundamentals of ensemble singing, intonation, sight-reading, and choral tone. After learning to appreciate the symphonic music to be played on the program, members had an opportunity to attend the Cleveland Orchestra in its LHS daytime appearance. First semester officers were Darrell Christie, Sally Schumacher, Jeanne Bolds, and Don Baker; second semester officers were Don Baker, Carol Kelly, Mary Ann Chidester, Scott Lawson.

Operetta Sparks Senior Ac Schedule

Special activities on the Senior A Cappella agenda included acting in the "Pirates of Penzance," recording an album, going to the LEL Spring Festival at Parma, and playing a major part in both the Christmas and spring concerts at Lakewood High. The choir also performed for various civic groups. Senior Ac met daily with Mr. Evans, their director. The 97 members elected Larry Fisher president, with Ann Huxtable, Karen Nelson, and Joe Walsh filling the offices of vice-president, secretary, and treasurer.

Orchestra Shares in Concerts

Among the many concerts presented by the 65 members of the orchestra during the year were the winter concert with the band and the spring concert with the combined choirs. Uniting with the other members of the Lake Erie League, the orchestra appeared at the annual festival held in Euclid this year. Such favorites as Grundman's "Midnight Beguine," "Lucille" composed by Gretry, and William Rodger's "Flower Drum Song" were on the program. Achieving an excellent rating in the Northeastern Division State finals under the direction of Mr. Strang brought pride to the school and community. Music for Baccalaureate and Commencement exercises was the finale to the group's musical year.

They also played at one of the Barons' hockey games and the opening Indians' baseball game.

Cheerleaders Share Responsibility

Out of about 100 sophomore girls who try out each May, only six are chosen as next year's JV Cheerleaders. Being among those chosen few is a great honor as well as a great responsibility. Cheering their teams to victory, furthering student support, and helping to maintain good sportsmanship on the part of spectators are only a few of the many jobs they assume. To aid in the purchase of new megaphones, booster signs for Pep Rallies, and other items necessary for the better fulfillment of their duties, they sponsor a booth at many of the All-School Parties. During the first twelve weeks of school they meet daily with Miss Burton to practice their cheers, and to discuss future cheerleading plans. From that time on they meet every Thursday, striving to attain true perfection.

Although leading the band at halftime shows is their main responsibility, they also perform at pep-rallies, basketball games, and music festivals. Being part of the band, they are advised by Mr. Strang and practice ninth hour and after school. During the football season, two JV's take turns in performing with the Varsity. This is to prepare them for the next year when they themselves will become the full-fledged Varsity Majorettes.

Rangers Rally To End Season Strong

Against many heavier and faster teams, the 1959 Rangers rammed their way to a record of two wins and eight losses, improving over last year's record of one win, eight losses, and one tie. After five discouraging defeats, Lakewood lost a heartbreaking game to Parma, missing the decisive touchdown by two seconds. The following week found Shaw squeezing the deciding goal into the final two minutes of play. Finally the previously patient Rangers released their "pent-up" power and finished the season by shattering Mansfield and West Tech, leaving a two game winning streak for next year's Rangers.

Gridders Gain Personal Recognition

Unusual is the word for this year's gridiron honors. Brothers, Chuck and Mike Hannah, began the string of events by being elected co-captains of the varsity squad. Then Larry Fisher won "Football Ranger of the Year." This was the second time the Fisher family claimed the award, for Larry's brother earned the same honor a few years before. Bob Hoehn rated as one of the better centers in the district. Another very high position, that of being elected to the second ALL-LEL Team, was taken by Fred Emde and Larry Fisher. Following up this year and patiently awaiting next season will be lettermen Gabe Kovacs, end; Pat Dustin and Lou Klein, tackles; Fred Bartlett, Stan Serwatka, and Bob Burdick, guards; Bill Brooks, Herb Seil, and Fred Leick, halfbacks; Tom Llewellyn, center; and Wally Margolis, fullback.

Jayvees Win Final Three Games

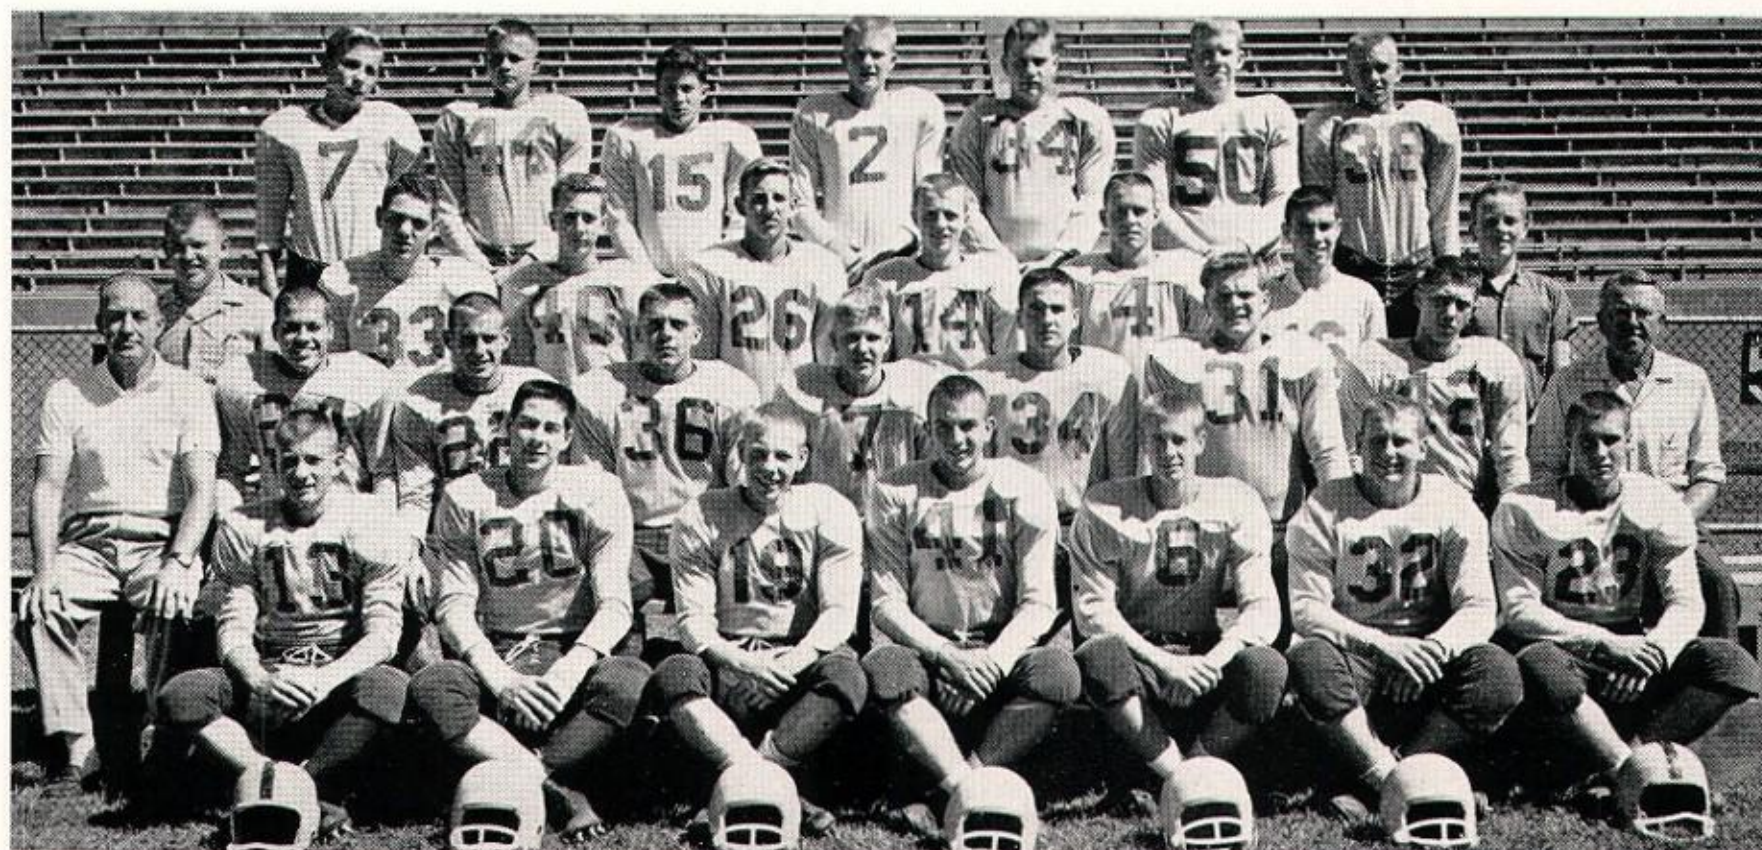

The junior varsity football squad and the entire physical education department received an unexpected and heavy setback when Coach Harwood suffered a severe heart attack during the varsity Heights game. Seriously ill for a time, Coach Harwood spent most of the school year in convalescence. The team showed him their appreciation and regard by presenting him with the autographed football with which they broke the Parma Redmen's two year string of victories. Under the direction of Coach Kluckhohn, the team finished the season by winning their final three games. These conquests clinched fourth place in LEL competition and an over-all record of four wins and five losses.

Mermen Capture District Championship

Paced by Captain Bill Edwards, the Mermen enjoyed a year filled with dazzling events. After winning ten straight dual meets, they swam to second place in the LEL. With a sparkling performance at the District Meet, they championed first place and prepared for State. Edwards, Abbott, Russell, Smith, Cody, Bartlett, and Cushman represented the team and copped the runner-up title. Of the many championships and records won by the team this season, Edwards' feat of peaking the national record with his 1:05.7 for the 100 yard breast stroke was most outstanding. With their new Coach Johnson, the jayvees earned the LEL championship, thus promising another strong team for next season.

Harriers Place Sixth in State Meet

The Cross Country Squad led an exciting season. After a record of five wins and two losses, the Harriers placed third in LEL. Entering the District Meet as one of eleven schools, they were second only to Parma. When the time came for the State Meet, Dave McConoughey, Captain George Clark, Bob Ross, Chuck Scobie, Vince Rehfeld, Bill Morehouse, Jeff Rainey, along with Coach Brown traveled to Columbus to represent Lakewood. Exhibiting good form against hardy trackmen, they placed sixth in State.

Cagers Bag LEL And Sectional Crowns

Sparked by Captain Phil Bertemes, new records and excitement highlighted the Cagers' contests. Tom Tenwick played well throughout the season and wrapped up these records: 182 field goals, 99 free-throws, 463 points inclusive with a 21-point average, and a high of 40 points in one game. Jim Andrew set a new rebounding mark at 258. Jim Keener and Steve Zaman also turned in outstanding performances. Team honors, such as the Max Hayes romp of 94-41 which set a new high score, were also numerous. The season saw 1604 points scored, with an average of 40.3% while 1095 rebounds were being grasped. Besides sweeping all ten LEL games, they had an overall record of twenty wins and three losses. Although this was the last year for five squad members, seven players will return for another exciting year.

Jayvees Gain Lake Erie League Title

First place in the LEL was undecided until the end of the season, but Coach Zimmerman and his jayvee team finally pulled through by ending up on top. Assured of at least a tie after devouring Shaw, 66-49, they gained full possession of the crown when Heights barbecued Parma, 44-28. Winning their last five and nine of their last eleven, the surging sophs formed a permanent starting lineup after weeks of experimentation earning an over-all record of eleven wins and six losses. Luke Hoffa's splurging 24 points led the Parma trounce, and Ron Fugo's 23 helped scatter Shaw as Lakewood finished with seven wins and three losses in the LEL.

Grapplers Pin Eighth in State

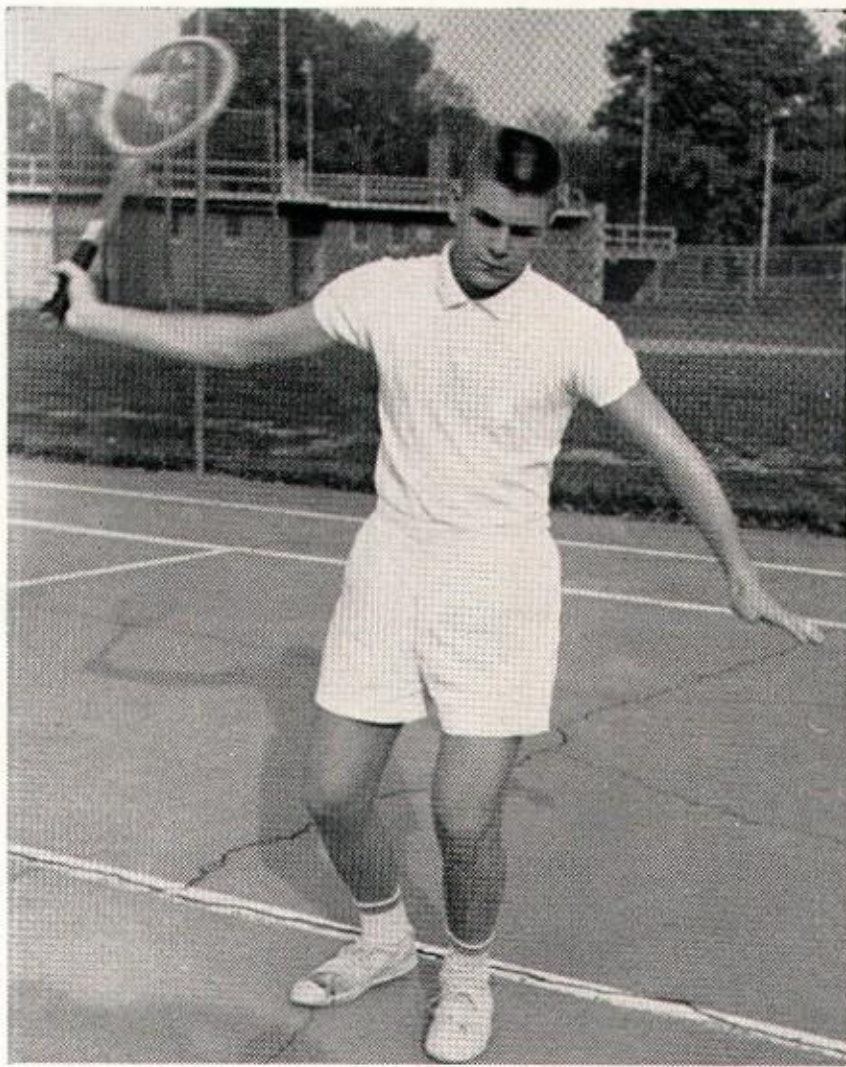

Winning four and dropping six of their dual meets, the matmen took fifth in the LEL. Losing a 22-23 decision to Parma added a heartbreaking disappointment to their season. After this defeat they retaliated to defeat Shaw 30-10 and West Tech 31-7. Consuming the runner-up spot with 79 points, second only to Marshall in the District finals, made five boys eligible for State. At State, Pete Pyros, Lee Stephenson, Norman Rivers, John Nash, and Bob Shearer topped their rival LEL teams to which they had lost during the regular season. John Nash, team captain, competing in the 165 pound class, seized second in the state. In the heavyweight competition Bob Shearer won fourth place.

Tennis Team Nets Third in LEL

Competing with five schools, the tennis team placed third in LEL. After a fiery beginning, beating Euclid 3-2, Shaw 3-2, Parma 5-0, they suffered a discouraging 4-1 loss against the first place Shaker team. This defeat shattered their opportunity for first place along with their spirit, and the Rangers lost their last game to Heights 2-3. During his first year as tennis coach, Mr. Beyers found many of the boys already quite experienced. Captain Tom Tenwick and Ron Deery had both been members of the team for the two preceding years, and Clark Graebner had won the State championship. Playing first singles in all the matches, Clark was the only member of the aggregation able to compile a perfect season.

Tumbling Team 'Flips' Toward Agility

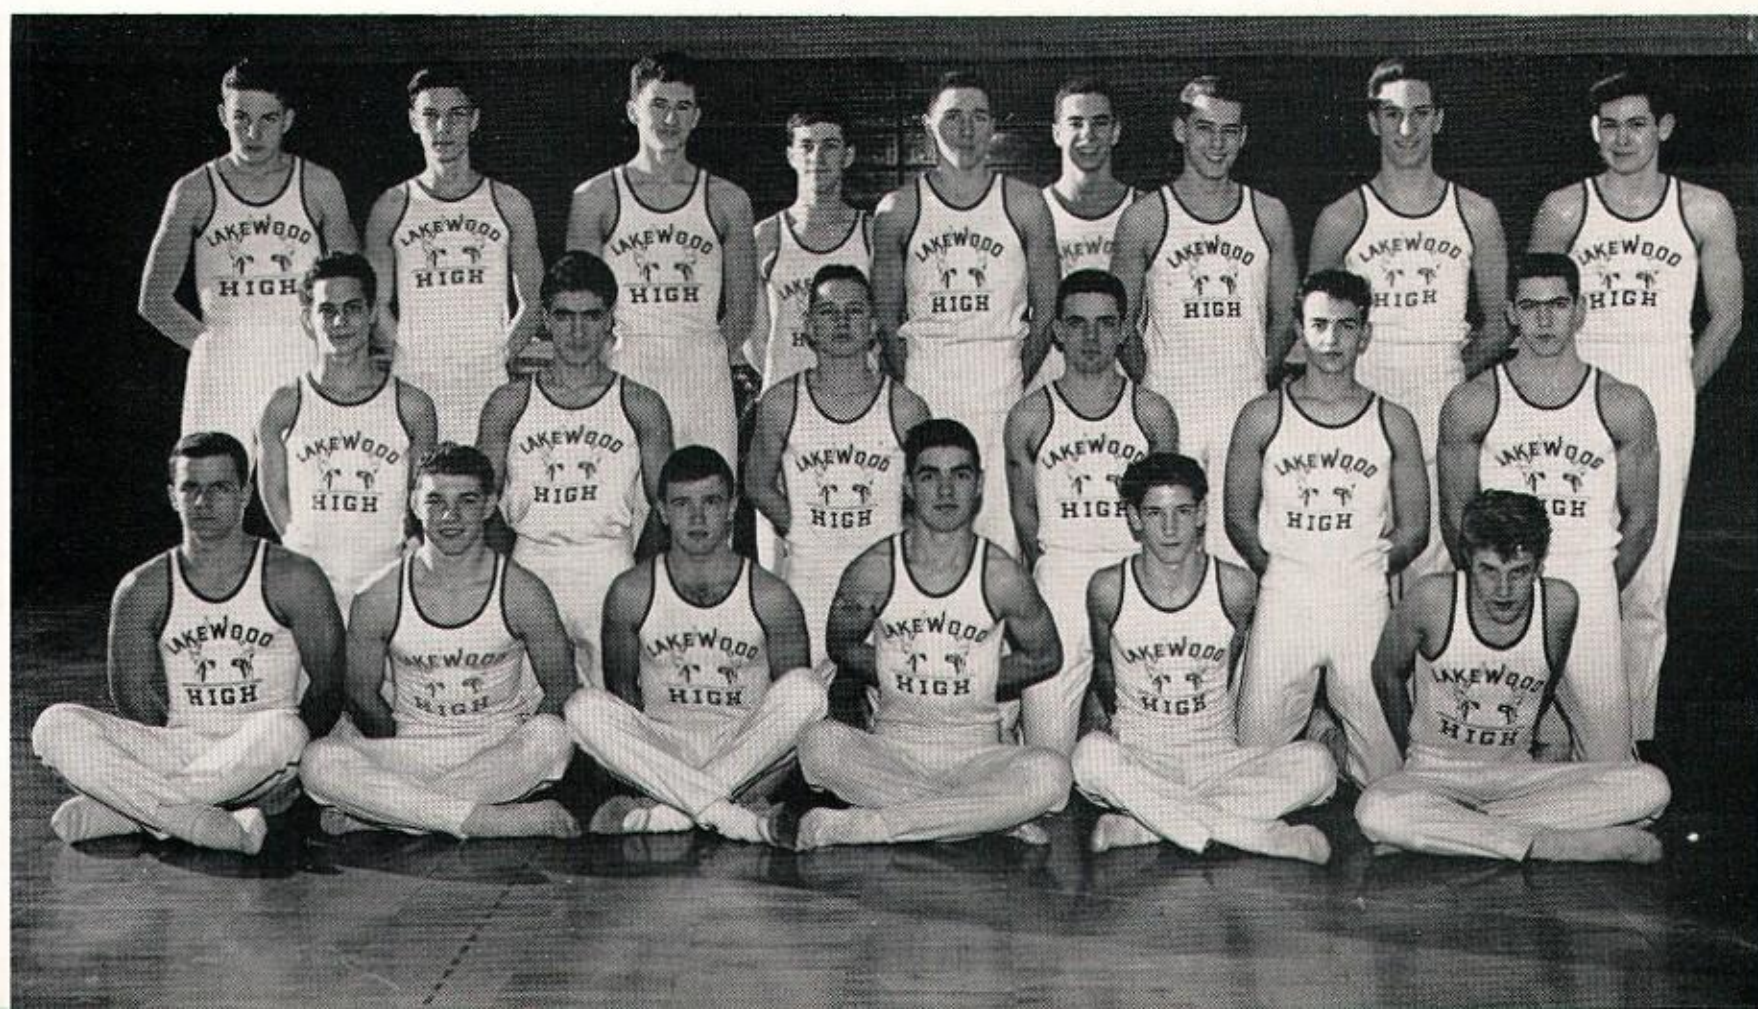

Developing proficiency on many pieces of apparatus was the tumbling team's main object. Among the more common ones were the horizontal bar, the high and low parallel bars, the horse, the buck, the rings, and the trampoline. Coach Scullion, their adviser in the absence of Coach Harwood, said the team progressed steadily by practicing sixth hour and after school. Performing during the half-time show of the varsity basketball game played December 5, they displayed this improvement. They also visited other schools to give demonstrations on the proper manner of using the gymnastic equipment.

Thinclads Couple Determination, Speed

Calling forth plenty of stamina, Coach Antel's trackmen earned a final record of eight wins and two losses. At the City Meet, the 880-yard relay team, comprised of Herb Seil, Stan

Serwatka, Les Halvacs, and Wayne Gunselman, raced to the first position, thus helping the Thinclads win fourth place. Other outstanding performances were turned in by Joe Walsh, Don Lucas, and Howie Miller. Defending city champion, Dave McConoughey, was unable to participate this season because of personal injury. With the conclusion of a good indoor season, the team is looking forward to even better outdoor competition.

McConoughey Breaks Two Records

Outdoor trackmen began the season strong by winning their first meet against Collinwood and West Tech by $10\frac{1}{2}$ and $14\frac{1}{2}$ points respectively. After a discouraging loss to Rhodes by $6\frac{1}{3}$ points and another against Shaker by $18\frac{1}{3}$ points, they again displayed their capabilities by downing Heights and defeating Lorain. After placing fifth in the West Tech Relays, they went on to gain the fourth position in the LEL Meet. Soon the District Meet was held, and Lakewood again placed fourth as they also did in the Miami Relays. Dave McConoughey had an excellent season, breaking two records. At the LEL Meet he turned in the record-breaking time of 4:28.6 for the mile, and set a new 880 time of 1:59.8 at the Miami Relays.

Baseball Team Places Third in LEL

Winning five and losing five, the Ranger team captured third place in the LEL. Under Coach Harwood they fought on to a final total of thirteen wins and five losses. Don Cameron, bearing the honor of captain, showed his skill as a catcher. Sparking their play were Bob Harris, Tod Needham, and Chuck Workman. Harris, having a record of six wins and one loss, walked off with the title of "best pitcher." He also merited one of the most

coveted awards, that of the "most valuable player." Batting .312, Needham won the "best batter" spot. Workman followed up a good season by acquiring the "most total bases." Following in the footsteps of the varsity, the JV's showed themselves a powerful team by placing second in the Lake Erie League. They rolled over West High, 9 to 0, in the best game of the season. Pitching a one hitter, Fred Leick led them to a victory over Rocky River. Bob Wargo and Fred Leick paced the team with their outstanding play. Wargo captured the "most valuable player" award. Winning five games, Leick annexed the "best pitcher" position for the season.

Golfers Drive To a Perfect Season

Golfers drove their way to a perfect season, winning all sixteen of the games they played and the championship of the West Side Golf League. Schools comprising this new league are Lakewood, Fairview, Parma, Rocky River, Medina, and Berea. Under the direction of Coach Scullion they took the runner-up title in LEL and fourth place in District competition. Captain Bob Brooks was high man with his top score of 71. Bruce Wofner's best score of 80, George Clawson's 72, and Andy McGill's 77 were also big factors in earning the golfers their impressive record.

Physical Training Aims at Healthful Living

Physical fitness is an important objective in creating a versatile individual. Tests range from running the mile, 880, 440, and 220 to rope climbing, sit-ups, and pull-ups. Every-day activities normally include basketball, calisthenics, and relay races. "Jumping jacks," "burpees," push-ups, sit-ups, and leg-lifts constitute the exercises. Six weeks of swimming every semester also serves as an important part of every physical education course. Homeroom basketball, volleyball, bowling, and tennis are a few intramural sports that play an important part in the extracurricular activities at Lakewood High.

'L' Club Members Add Prestige to Sports

Meeting to have their picture taken is the only formal gathering of this honorary club of lettermen. Edwards led the club by setting the national record in the breast stroke. Aided by the outstanding performances of Bertemes, Tenwick, and Andrew, the Cagers were spurred to an excellent season while Nash bolstered the Matmen's spirits by pinning second place in State. Fisher earned a position on the second All-LEL football squad as Graebner simultaneously was slamming his way to a flawless tennis record. Since the "L" Club contains many juniors, an exciting year is promised next year's fans.

Athletic Board Plans Intramural Sports

Twenty-one girls who compose the Athletic Board have the responsibility of guiding the extra-curricular sports program. Their aim is to promote wide interest and strong participation in intramural sports. Duties of this board include organizing tournaments, keeping accurate point records, and assigning officials who have the job of refereeing after-school games. Several leaders were assigned the new task of guarding the "purse room," an old shower room where gym students stored valuables and purses.

Officials Arlene Wheeler and Mary Van Roden have important task of keeping accurate score at a volleyball game

In spite of crowd and clamor, "purse checkers" maintain business acumen in matching purses with right owners

Horne, Fitz-Gibbon, Martin, Lake, Johnson • Row 4—Chabek, Arnesen, Henry, Harrold, Linkert, Huxtable, Mack, Harms.

Leaders Excel in Agility, Service, Skills

Identified by their white suits, Leaders are easily spotted on the gym floor and outdoor playing fields, eager and willing to lend their services to fellow students and gym teachers.

Officers Linda Sprankle, Joy Rados, Marilyn Ward, and Anne Linkert assisted by the adviser, Miss Kleinecke, planned meetings and several social events. Awarded positions on the basis of physical ability, mental alertness, and citizenship, 57 girls were chosen Leaders from 170 eager aspirants.

'T' Is for Tank as Show Moves Into Action

Making the big splash in "Moods and Colors," the biennial aquacade given on May 27 and 28 represented the culmination of a year's fun and practice for forty-one tankateers. Supervised by Miss Mower, the girls learned to do novel formations in swimming and diving as well as to do swimming acrobatics.

Allen, Odell, Ebbert, Fitz-Gibbon, Sedgwick, Schumacher, Kiss, clench fists for perfect balance to execute circle

Toe pointing Tankateers—Rheem, Eggers, Bissantz, Ward, Johnson—practice a possible entrance for the water show

Modern Dancers Interpret Life's Emotions

Fifteen major modern dancers, encouraged by their new adviser, Mrs. Jacobs, drilled diligently on dance patterns and exercises. In this way they acquired co-ordination and perfected graceful, interpretive movements. Although normally about thirty girls participate in this activity, the lack of a suitable practice location due to school construction work limited the number this year. Annual tryouts for modern dance were conducted late in the spring for dance enthusiasts.

Repeating their routine presented in the 1959 dance show are dancers Graham, Mock, Plotz, Cotabish, and Ward

To perfect form Hamilton, Twigg, Wheatcraft, Horne, Allen, Wagener, Hansen, Ward, Mallinak, Henricks practice together

With only a few minutes to go, well-matched speedball teams kick fiercely, trying to score just one more point

Athletic Skills Acquired in Team Play

Speedball players develop a special kind of bravery in coping with the frosty north winds of November. This popular game is offered only in classes and often becomes a heated battle against both the opposing team and the elements, rain and snow. On organized teams, girls realize the necessity for teamwork and for co-operation among members, lessons which will profit them not only as athletes, but also as members of society.

Sports Stress Spirit

In the sports of basketball and volleyball, lively teams battle for the highest honors. While learning, class instruction and demonstration helps stimulate many girls to take part in individual or team tournaments.

Seniors show polished form as they block basket, while keeping opponents from scoring necessary points to tie close game

Volleyball, an important part of physical education class and after-school curriculum, helps girls develop teamwork, sportsmanship, and co-ordination

Hockey Accents Physical Fitness, Fun

"Ground — sticks — bully!" Field hockey, a major sport played at very few schools in this area, is an annual fall tournament at Lakewood. Girls receive many bruises during this rugged game. Determination, slacks, and raincoats are the hockey players' weapons against the rain, snow, and mud as they skillfully dribble, drive, and pass the ball.

Stiff competition, successful passing, plenty of fast action combine to claim goals in strenuous sport of field hockey

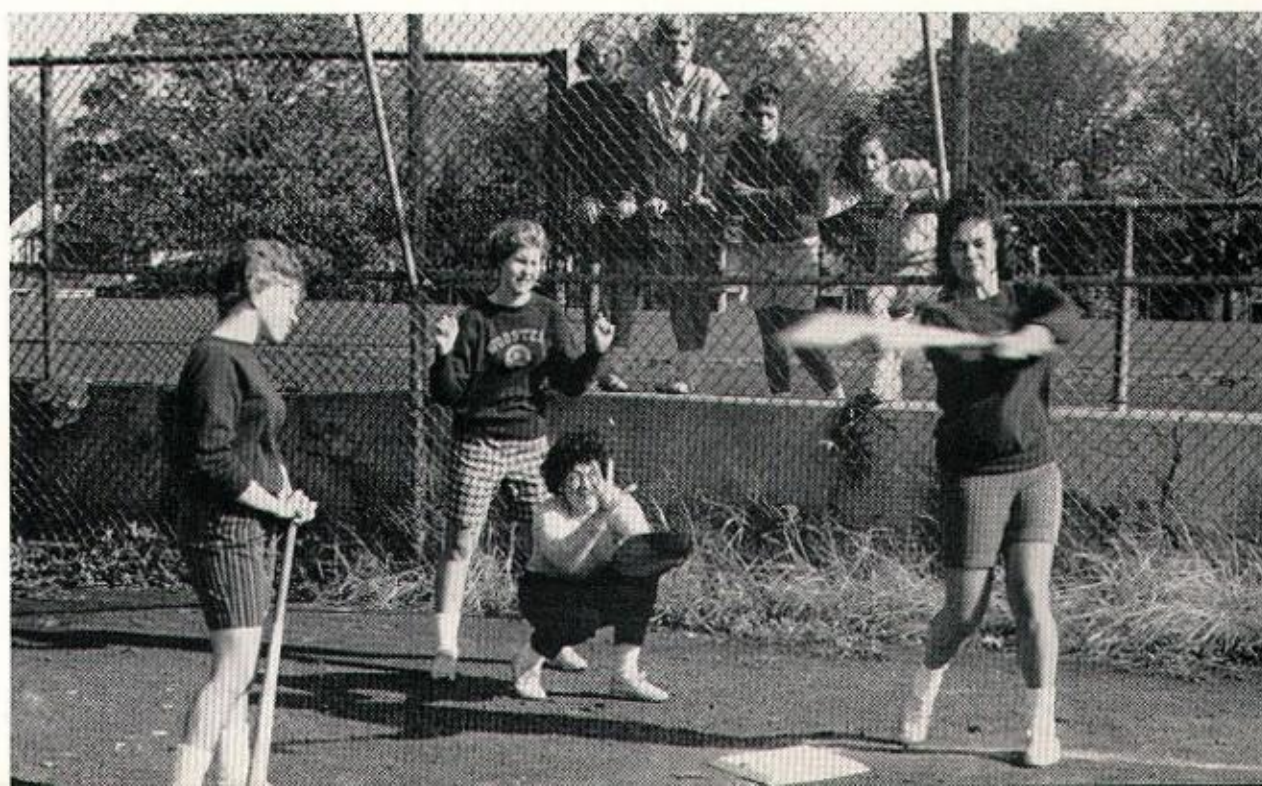

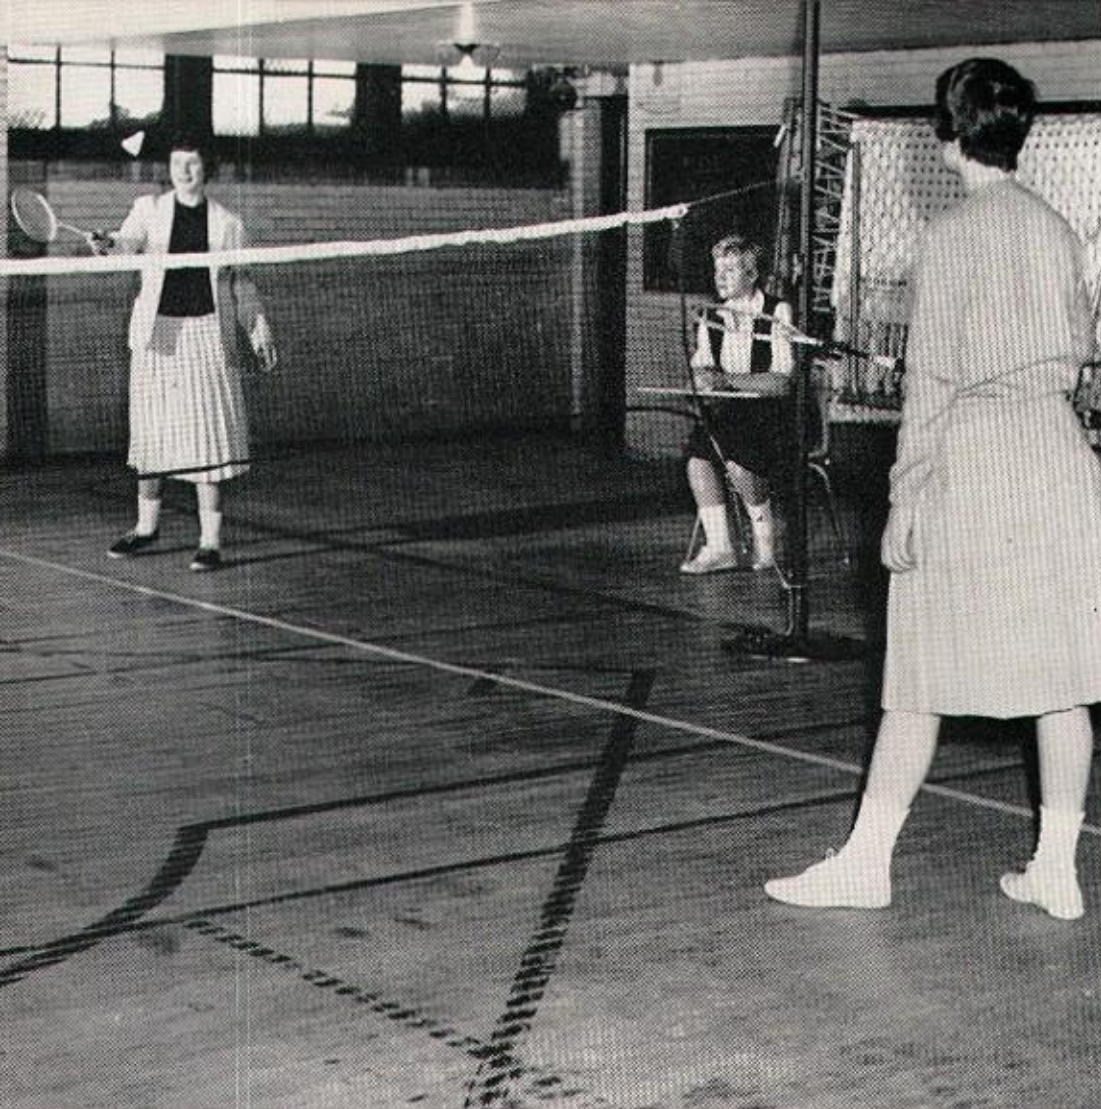

Connie Briddick shows Terry Love and Jan Bever that head position, wrist action, and controlled swing are vital

Intramural Games Provide Healthful Play

Spring sports prepare for summer recreation. Golf teaches putting and driving based on correct wrist action and arm swing. The softball tourney supplies an exciting climax to the lengthy sports program. Many girls exhibit keen interest in the game, practicing tirelessly during gym periods and after school to recapture personal pitching and fielding skills or to bring up batting averages.

It's a hit! Intramural softball gives girls valuable experience in umpiring games as well as in playing them

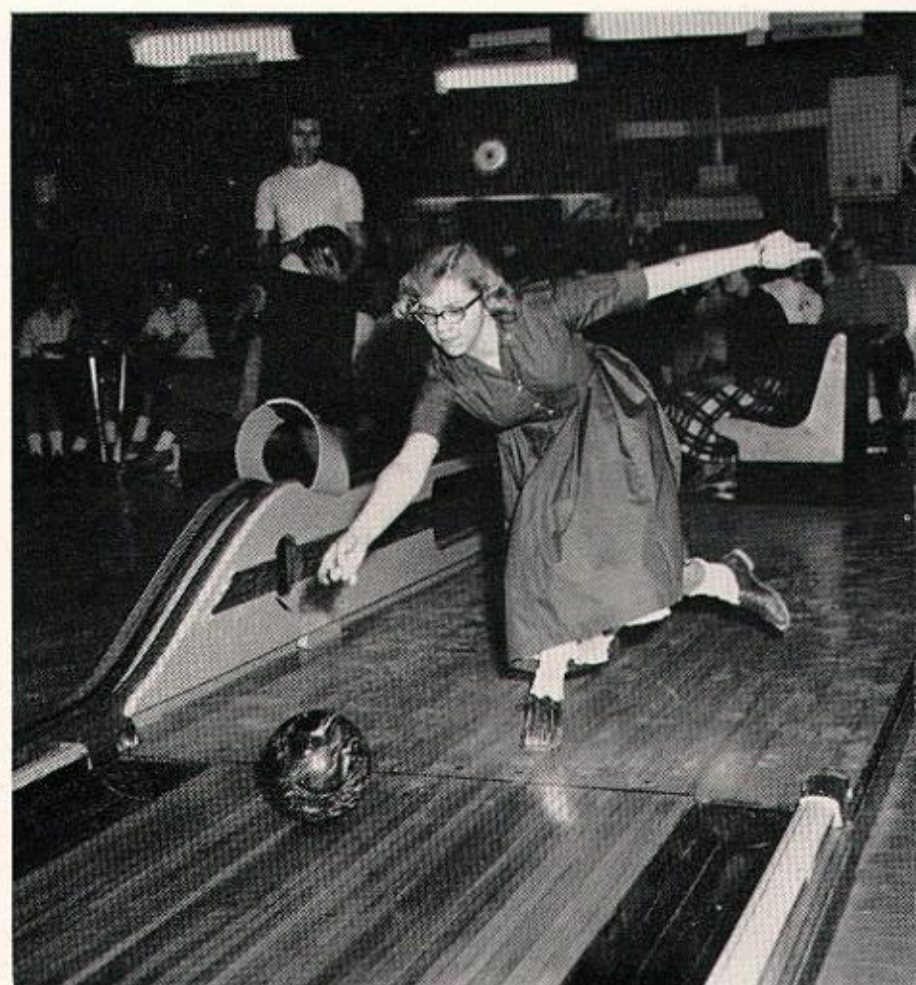

As tension mounts, badminton champs, Betty Yeckle and Sue Fitz-Gibbon, battle for deciding point in tie game

Linda Sprankle's smashing serve, her agility, and her good co-ordination gained her last year's championship

Games Promote Interest in Athletics

Tournament sports of bowling, tennis, and badminton develop individual skills, provide enjoyment the year round. Opening the fall program, tennis set a record for popularity with play on the spacious, hard-surfaced courts in this area. Girls practiced their serves and volleys in hopes of becoming the "School Champ." Flying plastic-feathered birds and agile girls kept the gym lively during the badminton tourney. This individual sport requires co-ordination and skillful wrist action. In bowling, ninety-six girls on twelve teams had fun improving scores and techniques at Bowl-Mor Recreation. Marcia Bissantz, Alice Kendel, Elinor LaRose, and Irene McCauley compiled the high averages.

Alice Kendel shows top form and concentration as she strives to roll a strike in the second frame

L-Pin Row 1—Rothgery, Woodlock, McCauley, Vasiliou, Eggers, Linkert, Fiske, Taylor • Row 2—Mock, Greene, Mack, Van Roden, Pierce, Remle, Mahood.

Intramural Sports Offer Coveted Awards

As a climax to enthusiastic competition in intramural sports tournaments, participants who accumulated the necessary number of points received Shields, L-Pins, and Medals. To earn a Shield required 300 points; an L-Pin, 600 points; a Medal, 900 points. By participating in after-school homeroom games and in individual tournaments and by officiating at games, girls earn their points.

Medal

Leisure

The Refreshment of Mind and Spirit

The Lakewood Renaissance encourages the student to an enterprising life that makes a rewarding use of leisure, not only for himself but also for the society in which he lives. He needs to develop a social conscience in a free society.

Majorettes, Cheerleaders, and excited Lakewood fans honor and encourage the "Rangers" at a November Pep Rally

School Spirit Lives

Out of Lakewood High's past comes a feeling of loyalty and pride which everyone recognizes as school spirit. This spirit shows in outstanding ovations for school teams and in the meaningful singing of the "Alma Mater." It shows at Y-parties, at school programs, and most of all, at informal get-togethers in the L-Room. It shows at lively victory celebrations and in the silence following defeat. It shows in the individual pride so evident in a Lakewoodite's description of his school. This school spirit is the living foundation upon which Lakewood High School's social life has been solidly built.

Coronation Highlights Homecoming

Ending a week of high anticipation, Homecoming finally arrived October 9. Excited spectators sat on the edges of their seats as their queenly candidates finished the traditional trip around the football field. Finally, the calm voice of Sally Bergholz came over the public address system announcing the five members of the royal court. With the attendants having taken their places on the field, Rena Lefton was left alone to receive from Band Captain Fred Glover the kiss and crown signifying the beginning of her reign as the 1959 Homecoming Queen of LHS.

Surprised and delighted, Rena stands astonished before receiving her laurels

Thanksgiving Is Honor Day For King, Queen

November 26 provided a snowy night for the semi-formal Thanksgiving Dance and the crowning of the '59 Football King and Queen. Decided by popular vote, the titles went to Dinah Eggers and Mike Hannah. The court consisted of Laurene Kriscak, Chuck Hannah, Chris Matteson, Larry Fisher, Lynn Staley, Bob Hoehn, Rena Lefton, and John Nash.

Mike Hannah and Dinah Eggers take their newly-won thrones to receive crowns of royalty from Mr. and Mrs. Scullion

Programs Develop Taste

Cultural opportunities both to listen and perform are given students at school assemblies. During this year they ranged in appeal from the seriocomic Student Council election skits to the impressive concert by the United States Navy Band. In addition, a variety of speakers, many of whom were students, focused attention on many up-to-date issues.

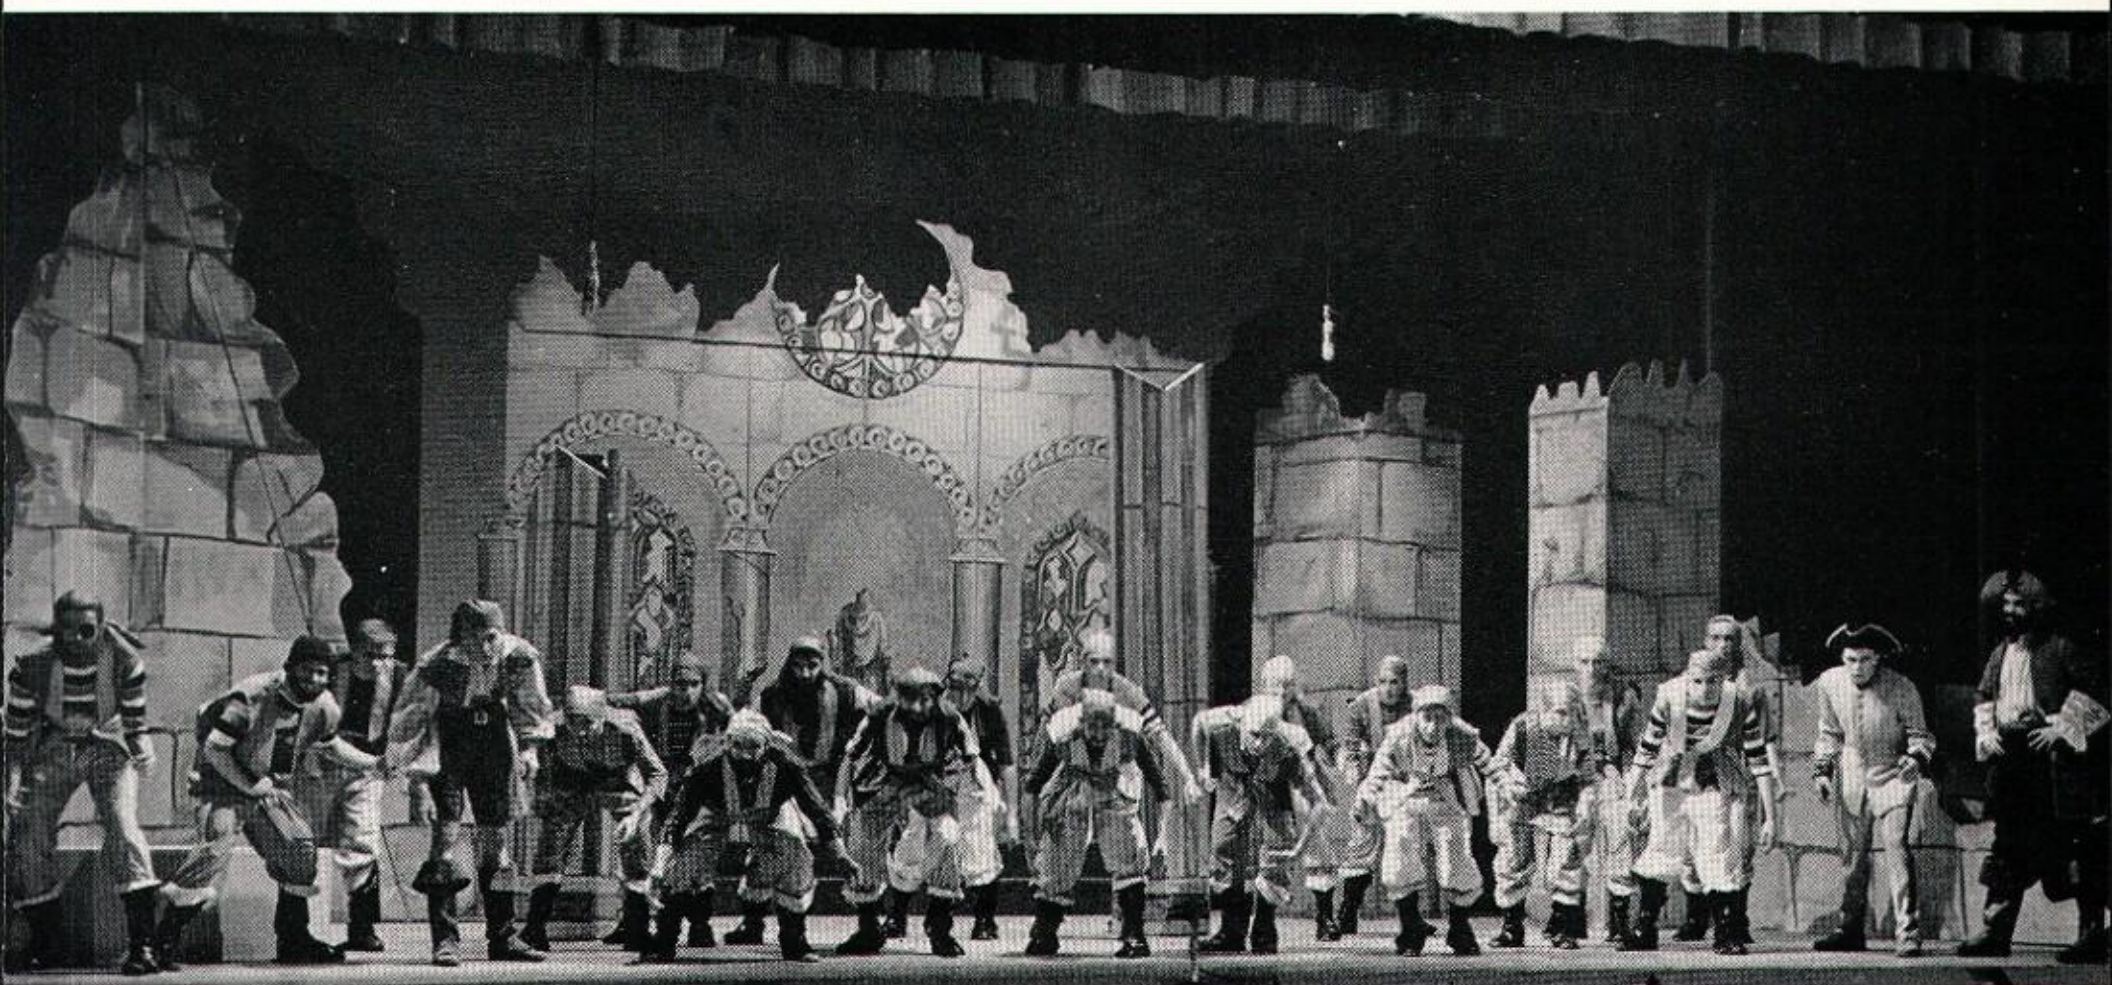

Fred Emde, Mike Hanna, Bob Hoehn reel in a minnow named Bob as reporter Bartram records Minning's skit

Twice each year Mr. Robert Shaw conducts the Cleveland Symphony Orchestra in a special concert given in the spacious Lakewood Civic Auditorium, entertaining appreciative students from LHS and many neighboring West Side schools

Dr. Ralph Frackelton presented his original painting of Lincoln at a school assembly, following which it was hung in the L-Room

'With cat-like tread' the pirates from Penzance steal upon their prey, a police force bent on destroying their band

Talent Produces Master's Touch on Stage

Lakewood stage productions represent a combination of musical, dramatic, and artistic talents. Merged through careful and patient direction, these skills are seen in quality musical festivals and Barnstormer plays.

Barnstormers Lois Raymond and Lynn Staley put the finishing touches on the set for "The Late Christopher Bean"

Choir alumni attending Christmas Concert go to stage to sing in traditional finale

Wise-cracking Pete Sheridan shows that his marimba playing is as good as his boast at second All-School Party

Hopeful customers stop at Lynn Waugh's Hi-Forum booth to try to hit the nail on the head

Dennis Golden, a soda dispenser at the L-Room's snack bar, prepares chocolate malt for Pam Lefton and Tom Matti

Varied Themes Color All-School Parties

The function assigned to All-School parties is to provide entertainment to suit the varying interests of 1700 students. To do this, colorful themes such as "Blast-off" and "Oriental Garden" set the mood. Appropriate decorations develop these. A show at each party features professional or student entertainers, and booths offer everything amusing from dart-throwing to nail-pounding. A splash party in the pool keeps swimmers entertained while the L-Room and snack bar are open to those who want to socialize, eat, or simply watch television. Dancers are free to enjoy music and try their skill in the Boys' Gym.

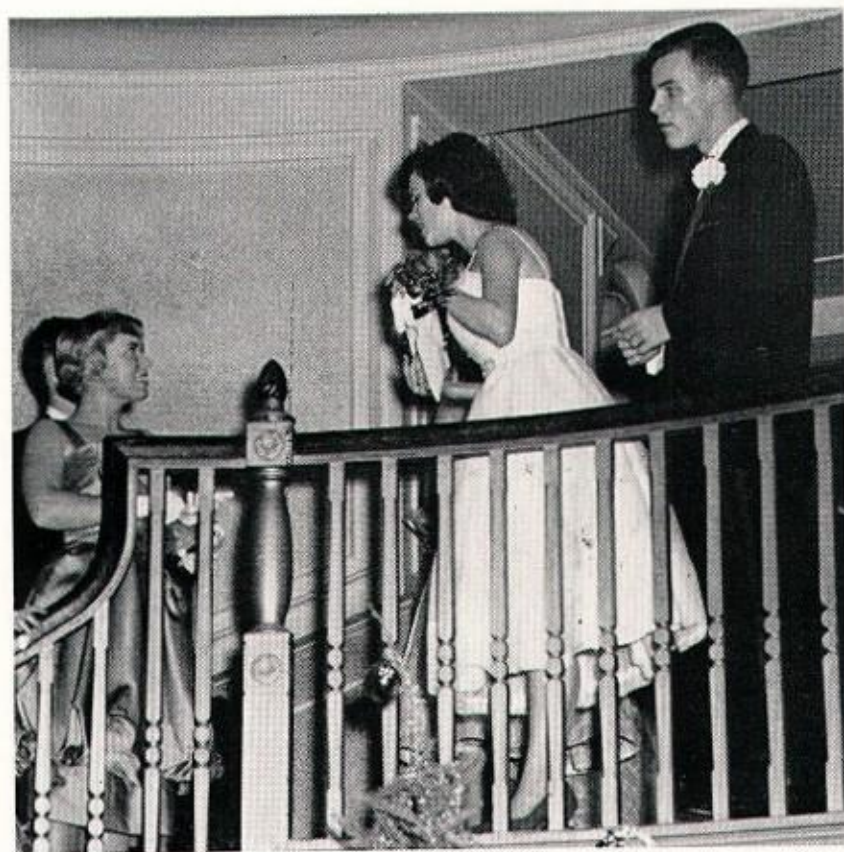

Couples taking advantage of a momentary opening on crowded floor exhibit alluring gracefulness and dancing skill

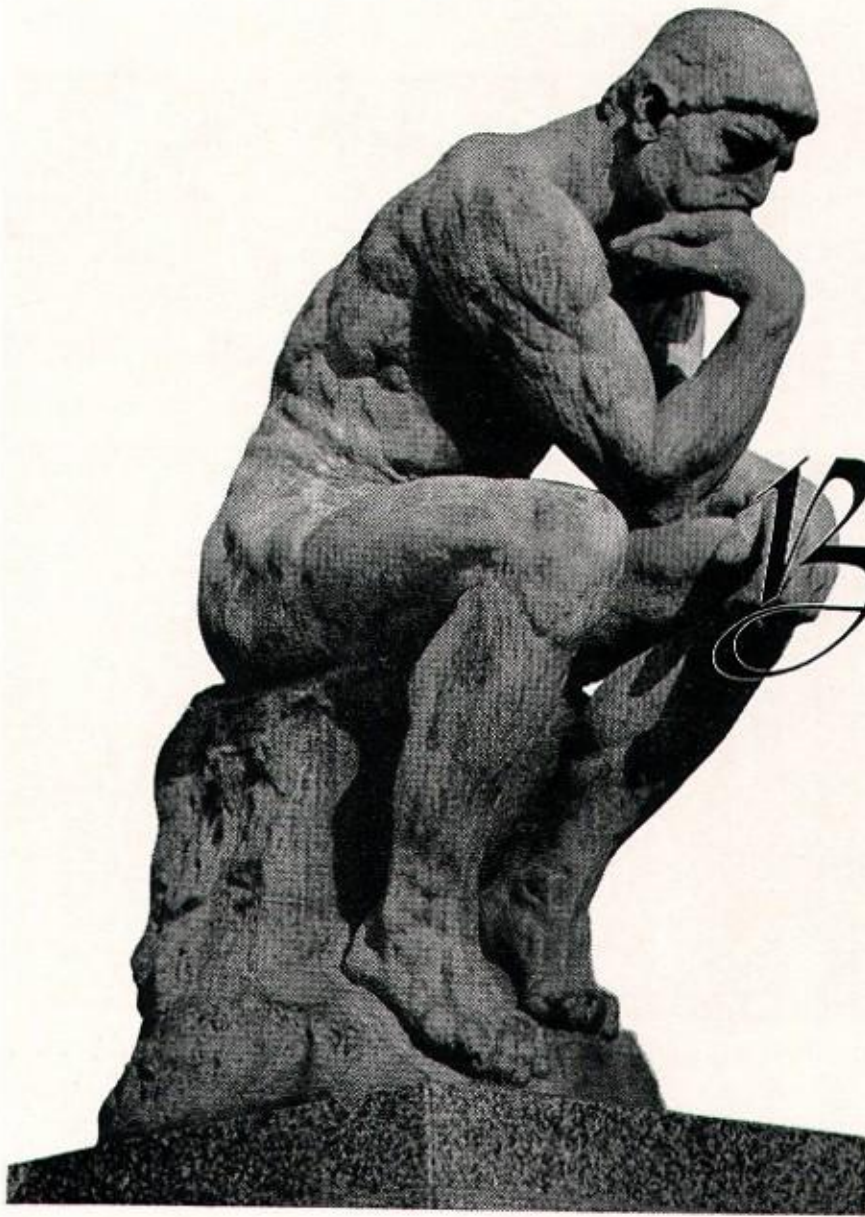

Christmas Is A Time for Socializing

With Al Angelotta's band providing the music, excited Lakewoodites whirled through the evening at the annual Christmas Formal. Held in the Westlake Hotel's "Marine Room," the ball was a memorable Yuletide attraction.

At midnight, happy couples stop to talk before leaving for a special Christmas dinner at a fine restaurant

While the girls wait, their well-mannered escorts join the long line to punch bowl

Business

The Acumen of Mind and Spirit

The Lakewood Renaissance was made possible by the overwhelming vote of Lakewood citizenry for the School Bond Issue. Students can show some of their gratitude by patronage of the firms that advertise in the student publications.

LAKEWOOD YM-YWCA

16915 Detroit Avenue • Lakewood 7, Ohio

THIS BEAUTIFUL new building was dedicated in November, 1957. It is one of the first combined YM-YWCA's in the United States . . . Today, almost 3000 boys and girls are served by this splendid youth edifice. . . . Lakewood's six Hi-Y chapters and six Friendship clubs bind the schools and the 'Y' to the welfare of Lakewood boys and girls.

permanence . . .

Your advertisement in the Lakewood High School Cinema places your firm in an enviable position. This yearbook is welcomed into many Lakewood homes every year. There it is given a position of honor. Many times it will be opened to show with pride to neighbors, visitors, or, merely for the pleasure of reminiscing. Thus your own advertisement achieves the dignity of a permanent reference to the service or product that you offer. . . . Join us next year, and every year.

Signs of transition:
Excavation for new structures,
from which will arise sound foundations
for the future.
